EDUCATION

University of Illinois Urbana-Champaign
Graduate courses in Archaeology
2015-present

University of Illinois at Chicago
B.A. in Anthropology
May 2010
Additional concentration: Archaeology

Independent lab studies with Dr. Thomas Loebel, 2008-2009
Conducted attribute and mass analysis of lithic material (debitage) excavated from Starved Rock site (11Ls12). Created and maintained spreadsheets re-bagged and curated material for storage.

University of Illinois at Chicago/Field Museum, 2007
Field school student in Moquegua, Peru
Excavated sections of a pre-Incan cemetery/settlement.

Excavation with Iowa State University, 2006
Field crewmember led by Dr. Hill at a site near the OV Clary Ranch Site
Excavated at buried Late Paleo-Indian site, mapped in piece-plotted artifacts using Total Station.

RELEVANT EMPLOYMENT HISTORY

Curation Staff, Illinois State Archaeological Survey, University of Illinois, Urbana-Champaign. 2012-2013. Re-bagged and curated previously excavated material for long-term storage and photographed and archived portions of the Spurlock Museum's North American collection.

Archaeological Assistant/Lithic Analysis, Illinois State Archaeological Survey, Urbana-Champaign. 2013-Present. Analyze excavated lithic material and prepare lithics chapters of state compliance reports.

RELEVANT SKILLS

- Experienced in all phases of field and lab methodology
- Able to work in a wide range of environments
- Proficient with Microsoft and Macintosh operating systems and programs

PROFESSIONAL AFFILIATIONS

2014-present Member, Illinois Archaeological Survey (IAS)

Professional Poster

2014 The Fisher Site Lithics: Distinguishing Functional Objects from Purely Ceremonial Artifacts in Shared Context. Poster presented at the 2014 Annual Meeting of the Midwest Archaeological Conference, Champaign, Illinois.

Bibliography
