

John M. Lambert
Curriculum Vitae

Illinois State Archaeological Survey
Prairie Research Institute
University of Illinois
23 Stadium Drive
Champaign, IL 61820

office: 217-244-4244
cell: 530-220-5553
email: lambertj@illinois.edu

Research Interests

Pleistocene/early Holocene archaeology of the Western Great Lakes and Upper Mississippi Valley; hunter-gatherer mobility, subsistence, and site structure; stone tool technologies; Human Behavioral Ecology; Geographic Information Systems (GIS) and spatial analysis

Education

2012-pres. PhD Candidate, Anthropology, University of California, Davis
2011 M.A. Anthropology, University of California, Davis
2009 Graduate Certificate in GIS, Iowa State University
2009 B.S. Anthropology and B.A. English with minor in Economics; Summa Cum Laude and Honors Program, Iowa State University

Academic Positions and Service

2012-2015 Vice President, Center for Archaeological Research at Davis (CARD)
2011-2015 Co-coordinator, UC Davis Anthropology Museum Education Outreach Program

Publications

- Legg, Robert J., Robert R. Regis, **John M. Lambert**, Matthew Liesch, and Charles B. Travis
2017 Geoarchaeological Modeling of Late Paleoindian Site Location in the Northwestern Great Lakes Region. *Paleoamerica* 3(2):150-160.
- Loebel, Thomas J., **John M. Lambert**, and Matthew G. Hill

2009 Zooarchaeology of the Skadeland Site: A Mill Creek Culture Occupation in Northwest Iowa. *Newsletter of the Iowa Archaeological Society* 59(1):4-5.

Professional Meeting Papers

Loebel, Thomas J., Matthew G. Hill, **John M. Lambert**

2017 *The Big Picture: Patterns in the Clovis, Folsom, and Late Paleoindian Records of Wisconsin and Illinois*. Paper Presented at the 61st Annual Midwestern Archaeological Conference, Indianapolis, IN.

Matthew G. Hill, Thomas J. Loebel, **John M. Lambert**

2017 *Synthesis and Assessment of the Folsom Record in Illinois and Wisconsin*. Poster presented at the 82nd Annual Society for American Archaeology Conference, Vancouver, BC.

Lambert, John M., Thomas J. Loebel, and Matthew G. Hill

2015 *Paleoindians on the Postglacial Margin: Early Holocene Hunter-Gatherer Mobility in Northern Wisconsin*. Paper presented at the 80th Annual Society for American Archaeology Conference, San Francisco, CA.

Lambert, John M.

2014 *A New Perspective on the North Lakes: Early Holocene Hunter-Gatherer Mobility in Northern Wisconsin*. Paper presented at the 58th Annual Midwestern Archaeological Conference, Champaign, IL.

Lambert, John M. and Thomas J. Loebel

2014 *Cody way out East: Late Paleoindian Mobility in Early Postglacial Wisconsin*. Poster presented at the 79th Annual Society for American Archaeology Conference, Austin, TX.

Lambert, John M., Matthew G. Hill, Marlin F. Hawley

2012 *2012 Excavations at the Roen Late Paleoindian Site, Chippewa County, WI*. Poster presented at the 57th Annual Midwestern Archaeological Conference, East Lansing, MI.

Lambert, John M., Thomas J. Loebel, Matthew G. Hill

2012 *Late Paleoindian Mobility and Settlement-Subsistence in the Western Great Lakes*. Poster presented at the 77th Annual Society for American Archaeology Conference, Memphis, TN.

Burns, Gregory R., Susan Cook, Kathryn Demps, Jason L. Edmonds, **John M. Lambert**, Andrew Tremayne, Jelmer W. Eerkens, Eric J. Bartelink

2012 *Isotopic Evidence for Changing Residence Patterns through the Middle to Late Holocene in Central California*. Poster presented at the 46th Annual Society for California Archaeology Conference, San Diego, CA.

Lambert, John M.

2009 *Oneota Bivalve Exploitation in the Des Moines River Valley*. Poster presented at the 67th annual Plains Anthropological Conference, Norman OK.

Thompson, A. Kvale, Lawrence C. Todd, **John M. Lambert**

2009 *In-Field Faunal Analysis: Assemblage Properties and Site Specific Activities Revealed by the Little Venus Fire*. Poster presented at the 67th Annual Plains Anthropological Conference, Norman, OK.

Powell, Hilary J., **John M. Lambert**, and Justin J. Sullivan

2008 *Zooarchaeology of the Skadeland Site: A Mill Creek Culture Occupation in Northwestern Iowa*. Poster presented at the 66th Annual Plains Anthropological Conference, Laramie, WY. Symposia Organized for Professional Meetings

Symposia Organized

2014 Early Holocene Hunter-Gatherers in the Western Great Lakes. Symposium Co-organized with Thomas Loebel for the 58th Annual Midwestern Archaeological Conference, Champaign, IL.

Limited Circulation Reports

Lambert, John M.

2009 *A Spatial Analysis of Paleoindian Site Structure at the Jim Pitts Site*. Unpublished Graduate Certificate thesis, Department of Anthropology, Iowa State University, Ames.

Lambert, John M.

2009 *Oneota Bivalve Exploitation in the Des Moines River Valley*. Unpublished Honors thesis, Department of Anthropology, Iowa State University, Ames.

Technical Reports

Lambert, John M. and Matthew G. Hill

2009 Phase I Archaeological Survey for a Proposed Improvement of Osage Road, Sections 26-28 and 33-35, T89N-R12W, Black Hawk County, Iowa. Project Report 192, Iowa State University Archaeological Laboratory, Ames, IA.

2009 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (FHWA # 170850) on 360th St., West of Tollman Ave., Sections 11 and 14, T86N-R24W, Hamilton County, Iowa. Project Report 193, Iowa State University Archaeological Laboratory, Ames, IA.

2009 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (FHWA # 171400) on 280th St., East of Neely Ave., Section 2, T87N-R25W and Section 35, T88N-R25W, Hamilton County, Iowa. Project Report 194, Iowa State University Archaeological Laboratory, Ames, IA.

2009 Phase I Archaeological Survey for a Proposed Hog Confinement South of 90th St. and East of Fir Ave., Section 24, T99N-R14W, Howard County, Iowa. Project Report 195, Iowa State University Archaeological Laboratory, Ames, IA.

2009 Phase I Archaeological Survey for the Proposed Replacement of Existing Overhead Line Segments and Poles in Bremer, Butler, Chickasaw, and Floyd Counties, Iowa. Project Report 198, Iowa State University Archaeological Laboratory, Ames, IA.

2009 Phase I Archaeological Survey for a Proposed Hog Confinement Project South of 17th St. and East of 400th Ave., Section 31, T84N-R5E, Jackson County, Iowa. Project Report 207, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Grain Bin North of 450th St. and East of 327th Ave. (Section 2, T71N-R20W), Lucas County, Iowa. Project Report 161, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Sewer System for the Town of Tracy, Section 24 and Section 25, T75N-R18W, Marion County, Iowa. Project Report 162, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Hog Confinement South of 500th Street and East of B Avenue, Section 17, T92N-R42W, Cherokee County, Iowa. Project Report 163, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Animal-waste Lagoon North of 180th Street and West of Fig Avenue, Section 16, T99N-R46W, Lyon County, Iowa. Project Report 164, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Water Distribution Improvement Project for the City of Le Grand, Section 13, T83N-R17W, Marshall County, Iowa. Project Report 168, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Water Main Extension Project for the City of Le Grand, Sections 12 and 13, T83N-R17W, Marshall County, Iowa. Project Report 169, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Lift Station Improvement Project for the City of New Hartford, Sections 27, 28, and 33, T90N-R15W, Butler County, Iowa. Project Report 170, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Hog Lot North of 230th Street and West of Otter Avenue, Section 6, T88N-R36W, Sac County, Iowa. Project Report 175, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Hog Confinement North of 100th Street and West of Coolidge Avenue, Section 33, T94N-R47W, Sioux County, Iowa. Project Report 181, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (J-10, FHWA# 242620) on Parker Ave., North of 255th St., Sections 21 and 22, T83N-18W, Marshall County Iowa. Project Report 182, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (BROS 900360) on 160th St, West of Easter Ave, Section 34, T90N-R30W and Section 3, T89N-R30W, Webster County, Iowa. Project Report 185, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (BROS 092320) on 130th St, East of Johnson Ave, Sections 14 and 23, T90N-R29W, Webster County, Iowa. Project Report 186, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (BROS 980460) on 160th St, West of Paragon Ave, Section 33, T90N-R28W and Section 4, T89N-R28W, Webster County Iowa. Project Report 187, Iowa State University Archaeological Laboratory, Ames, IA.

2008 Phase I Archaeological Survey for a Proposed Bridge Replacement Project (BROS 601503) on Dakota Ave, North of 370th St, Sections 15 and 16, T86N-R30W, Webster County Iowa. Project Report 188, Iowa State University Archaeological Laboratory, Ames, IA.

Professional Experience

2017- Archaeological Spatial Analyst, Illinois State Archaeological Survey, Champaign, IL

2016-2017 Archaeologist, ICF International, Sacramento, CA

2016-2017 Archaeologist, Stantec, Sacramento, CA

2009-2017 Instructor (3 courses), Teaching Assistant (18 courses), Researcher, University of California, Davis

2009 Crew Member; Greybull River Sustainability and Landscape Ecology (G.R.S.L.E.) Project, Shoshone National Forest, WY

2007-2009 Archaeologist, Iowa State University Archaeological Laboratory (ISUAL), Ames, IA

2007-2008 Teaching Assistant (2 courses), Iowa State University, Ames, IA

2008 Crew Member; Excavation of the Roc de Marsal site, Dordogne, France.

2007 Site Director and Archaeology Program Counselor, Philmont Scout Ranch; Cimarron, NM

2007 Crew Member; Iowa State University Archaeology Field School, OV Clary site, Lewellen, NE

Professional Affiliations/Memberships

2013-pres. Wisconsin Archaeological Society

2011-pres. Midwest Archaeological Conference

2008-pres. Society for American Archaeology

2008-2012 Plains Anthropological Society
