

CURRICULUM VITAE
Robert Gene McCullough, Ph.D., RPA

Contact Information:

23 Stadium Drive, MC 571
Champaign, Illinois 61820-6910
Tel: (217) 244-8795
mccullor@illinois.edu

Education:

- 2000 Ph.D., Department of Anthropology, Southern Illinois University, Carbondale.
1991 M.A., Department of Anthropology, Ball State University, Muncie, Indiana.
1982 B.A., Department of Anthropology, Indiana University, Bloomington.
1973 John Marshall High School, Indianapolis, Indiana.

Dissertation:

- 2000 *The Oliver Phase of Central Indiana: A Study of Settlement Variability as a Response to Social Risk.* Department of Anthropology, Southern Illinois University, Carbondale.

Master's Thesis:

- 1991 "A Reanalysis of Ceramics from the Bowen Site: Implications for Defining the Oliver Phase of Central Indiana." Department of Anthropology, Ball State University, Muncie, Indiana.

Grants Awarded (National Park Service Historic Preservation Fund grants administered by the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology, unless otherwise noted):

- 2012 National Park Service, American Battlefield Protection Program, for "Targeting Indian Resistance along the Wabash: Scott's 1791 Campaign at Old Fort Ouiatenon." Co-Principal Investigator, through the Glenn A. Black Laboratory of Archaeology, Indiana University, with Dr. Michael Strezewski, University of Southern Indiana.

National Park Service grant for further research into settlement structure within the Strawtown Enclosure. (*Investigating Residential Variability within the Strawtown Enclosure.*) Principal Investigator.

- 2011 National Park Service grant for temporal resolution of the Late Prehistoric Castor phase settlements at Strawtown (over 4,200 visitors). (*Temporal Dimensions of the Castor Phase: Investigations at 12HI052, a Late Occupation at Strawtown Koteewi Park*). Principal Investigator.

National Park Service, Preserve America program, grant for "Indiana Statewide Comprehensive Inventory of Native American Mounds and Earthworks." Invited co-participant in a project submitted and administered by Division of Historic Preservation and Archaeology.

National Park Service, Preserve America program, Principal Investigator for the “Indiana Statewide Comprehensive Inventory of Native American Mounds and Earthworks,” a project submitted and administered by Division of Historic Preservation and Archaeology.

- 2010 National Park Service grant for tenth anniversary excavations at Strawtown (over 4,300 visitors). (*Tenth Anniversary of Archaeology in a Public Venue at Strawtown Koteewi Park, Hamilton County, Indiana: 2010 Archaeological Investigations at the Strawtown Enclosure [12-H-883] and 12-H-1052.*) Principal Investigator, report co-author and editor.

National Park Service grant for intensive survey of the Smith-Sutton Farm in Clark County. (*Intensive Investigations on the Smith-Sutton Farm and Intensive Phase Ia Survey of 12CL127 in Clark County, Indiana.*) Principal Investigator, report contributor.

- 2009 National Park Service grant for intensive archaeological survey of two sites to develop a Western Basin Tradition context in Indiana (over 3,800 visitors). (*Archaeological Investigation of Two Western Basin Tradition-Related Sites in Northeast and Central Indiana, Vol. I: Kramer Enclosure [12-A1-15], Vol. II: Castor Farm [12-H-3].*) Principal Investigator, report co-author.

National Park Service grant for investigating Clark County. (*Archaeological Investigations of Selected Collector-Reported Sites and Intensive Survey at Sites 12CL127 and 12CL949 in Clark County, Indiana.*) Principal Investigator.

- 2008 National Park Service, American Battlefield Protection Program grant for sites related to the 1791 Scott-Wilkinson Campaign near Lafayette, Indiana. (*Report of the 2009 Archaeological Investigations at Three Fur Trade-Era Sites in Tippecanoe County, Indiana: Kethtippecanunk [12-T-59], Fort Ouiatenon [12-T-9], and a Kickapoo-Mascouten Village [12-T-335].*) Co-Principal Investigator (with Michael Strezewski), report co-author.

National Park Service grant for archaeological excavations at Late Prehistoric sites in northeastern Indiana. (*Archaeological Investigations of Three Western Basin Tradition Sites in Allen County, Indiana.*) Principal Investigator, report contributor.

National Park Service grant for public excavations at the Strawtown enclosure during Indiana’s Archaeology Month activities (over 3500 visitors). (*Archaeology in a Public Venue at the Strawtown Enclosure [12-H-883]: 2008.*) Principal Investigator, report co-author.

- 2007 National Park Service grant for public excavations at the Strawtown enclosure during Indiana’s Archaeology Month activities (over 3200 visitors). (*Archaeology in a Public Venue at the Strawtown Enclosure [12-H-883]: 2007.*) Principal Investigator, report co-author and editor.

National Park Service grant for identifying the 1722 French fort and the 1794 American fort in Fort Wayne, Indiana. (*Intensive Survey of the Forts of Fort Wayne, Allen County, Indiana.*) Co-Principal Investigator (with Christopher Andres), report co-author.

National Park Service grant for a survey of 14-Mile Creek and an intensive survey (including geophysics) of the Mississippian Smith-Sutton site in Clark County Indiana. (*Multiple Methods of Landscape and Site Specific Survey in an Archaeological Assessment of Clark County, Indiana.*) Co-Principal Investigator (with Joshua Wells, report co-author).

Central Indiana Community Foundation (Legacy Fund) grant providing funding for interpreters during Indiana Archaeology Month. (*Public Programing at Strawtown Koteewi Park.*) Principal Investigator.

- 2006 National Park Service grant for public excavations at the Strawtown enclosure during Indiana's Archaeology Month activities (over 3000 visitors). (*Archaeology in a Public Venue at the Strawtown Enclosure [12-H-883]: 2006.*) Principal Investigator, report co-author.

National Park Service grant for geophysical survey and excavation of an 18th-century French and Wea village in Prophetstown State Park. (*Report of the 2006 Archaeological Investigations at Kethippecanunk (12-T-59), Tippecanoe County, Indiana.*) Co-Principal Investigator (with Michael Strezewski), report co-author.

National Park Service grant for archaeological survey and further database enhancement focusing on Paleoindian resources in northwestern Indiana. (*The Late Pleistocene and Early Holocene Occupation of the Kankakee Region of Northwest Indiana.*) Co-Principal Investigator (with Andrew White).

- 2005 National Science Foundation grant for undergraduate research and geophysical training at the Strawtown Koteewi Park, Hamilton County, Indiana. (*REU: Undergraduate Research Experience in Application of Geophysical Methods to the Archaeology of Late Prehistoric Central Indiana.*) Three years, 2005-2007. Co-Principal Investigator (with Andrew White, 2005, 2006; Michael Strezewski, 2007), report co-author.

Central Indiana Community Foundation (Legacy Fund) grant. (*Public Programing at Strawtown Koteewi Park.*) Principal Investigator.

National Park Service grant for archaeological survey, testing and further database work in northeastern Indiana. (*The Northeastern Indiana Paleoindian Project: 2005-2006 Season.*) Co-Principal Investigator (with Andrew White).

National Park Service grant for archaeological testing and geophysical survey at the multiple mound Falls Mississippian Prather site in Clark County. (*Archaeological Investigations at the Prather Site, Clark County, Indiana: The 2005 Survey and Excavations.*) Co-Principal Investigator (with Cheryl Ann Munson).

- 2004 National Park Service grant for archaeological survey and database work in northeastern Indiana. (*Paleoindian Chronology and Technology in Northeastern Indiana.*) Co-Principal Investigator (with Andrew White).

- National Park Service grant for archaeological excavation and public outreach at the Strawtown Koteewi Park. (*Late Prehistoric Archaeology of a Frontier.*) Principal Investigator, report co-author and editor.
- Indiana University, Bloomington, grant for geophysical survey at the Castor Farm site. (*Geophysical Survey at the Castor Farm Archaeological Site, Hamilton County, Indiana.*) Principal Investigator.
- 2003 National Science Foundation grant for the purchase of magnetometer, resistivity meter, and ground penetrating radar instrumentation. (*RUI: Acquisition of Geophysical Survey Instruments for Archaeological Research and Training.*) Co-Principal Investigator (with Andrew White).
- National Park Service grant for archaeological survey, excavation, and public outreach at the Strawtown Koteewi Park. (*Frontier Interaction during the Late Prehistoric Period: A Case Study from Central Indiana.*) Principal Investigator, report co-author.
- National Park Service grant for an archaeological auger survey at the multiple-mound Falls Mississippian Prather site, Clark County, Indiana. (*Archaeological Investigations at the Prather Site, Clark County, Indiana: The 2003 Baseline Archaeological Survey.*) Co-Principal Investigator (with Cheryl Ann Munson), report co-author.
- 2002 National Park Service grant for archaeological survey at two Late Woodland/Late Prehistoric circular enclosure sites. (*Archaeological Investigations at Two Late Prehistoric Earthen Enclosures in Indiana.*) Principal Investigator, report co-author.
- 2001 National Park Service grant for archaeological survey and preliminary testing of Late Prehistoric villages in central and northeastern Indiana. (*An Archaeological Evaluation of Late Prehistoric Village and Subsistence Patterns in North-Central and Northeastern Indiana.*) Principal Investigator, report co-author.
- Indiana Academy of Science grant for support of ongoing research on the Late Prehistoric population dynamics of north and central Indiana. Principal Investigator.
- United States Department of Agriculture, Forest Service grant for additional survey and testing of rockshelter cultural resources in the Hoosier National Forest. (*Survey or Excavation of Rockshelter Sites in Perry and Crawford Counties, Indiana.*) Principal Investigator (with Nikki Waters as Field Director and primary report author).
- National Park Service grant for archaeological survey of rockshelter archaeological sites in southern Indiana. (*An Archaeological Survey and Evaluation of Rockshelter Resources within the Peter Cave Hollow Region of the Hoosier National Forest, Perry County, Indiana.*) Principal Investigator.
- 1996 National Park Service grant for archaeological survey and testing of Late Prehistoric villages along the West Fork of the White River in central and southern Indiana. (*Population Dynamics of the Late Prehistoric: A Case Study from the Lower West Fork of the White River.*) Principal Investigator, report co-author.

1995 National Park Service grant for archaeological survey and testing of three Late Prehistoric villages in central and southern Indiana. (*An Archaeological Investigation of Late Prehistoric Subsistence-Settlement Diversity in Central Indiana.*) Principal Investigator, report co-author.

Indiana Academy of Science grant for support of ongoing research with the Late Prehistoric population dynamics of central and southern Indiana. Principal Investigator.

1992 National Park Service grant for archaeological survey and testing of Late Prehistoric sites in the east fork of the White River valley. (*Survey and Test Excavations of Late Prehistoric Oliver Phase Components in Martin, Lawrence, and Orange Counties, Indiana.*) Field Director, report co-author (with Brian G. Redmond, Principal Investigator).

United States Department of Agriculture, Forest Service, for excavations at the Cox's Woods site. (*The 1993 and 1994 Summer Excavations of the Cox's Woods site [12-Or-1], an Oliver Phase Village in the Pioneer Mothers Memorial Forest Recreation Area, Hoosier National Forest.*) Field Director, report co-author (with Brian G. Redmond, Principal Investigator).

Publications:

In preparation:

“Central Indiana as a Late Prehistoric Borderland: Western Basin, Fort Ancient, and Oneota Interactions on the Periphery.”

In press:

“Building Community on the White River in Central Indiana: Structures as Reflective of Societal Change at the Late Prehistoric Castor Farm Site.” In *Building the Past: Studies of Prehistoric Wooden Post Architecture in the Ohio Valley-Great Lakes Region*, edited by Brian G. Redmond and Robert A. Genheimer. University of Florida Press.

2012 “Summary of Structures Identified to Date within Strawtown Koteewi Park.” *Indiana Archaeology*, vol. 7.

2011 “Current Investigations at the Kramer Enclosure (12AL15): A Western Basin Tradition-Related Site in Northeastern Indiana.” *Indiana Archaeology*, 6(1):64-89. Lead author with Colin D. Graham.

2009 “Excavations at the Strawtown Enclosure, 2007.” *Indiana Archaeology* 4(1):81-107.

“Archaeological Investigations of Fort St. Philippe des Miamis (1722) and the First American Fort (1794) in Fort Wayne, Indiana.” *Indiana Archaeology* 4(1):108-130. Co-author with Christopher R. Andres, Dorothea McCullough, and Michael Strezewski.

“Multiple Scales of Data on Falls Mississippian Settlement Practices.” *Indiana Archaeology* 4(1):56-80. Co-author with Joshua Wells.

- 2003 “Cultural Interaction along the West Fork of the White River during the Late Prehistoric Period.” In *Facing the Final Millennium of Indiana Prehistory, A.D. 700 to 1700*. Special edition of *Indiana Archaeology* journal.
- 2000 “The Late Woodland to Late Prehistoric Occupations of Central Indiana.” In *Late Woodland Societies: Tradition and Transformation across the Midcontinent*, edited by T. Emerson, D. McElrath, and A. Fortier, pp. 643-685. University of Nebraska Press, Lincoln. Co-author with Brian G. Redmond.
- 1997 *Archaeological Survey and Excavation on Three Late Prehistoric Sites in Central Indiana: An Analysis of Subsistence-Settlement Diversity*. Research Reports 18. Glenn A. Black Laboratory of Archaeology, Indiana University. Co-author with Timothy M. Wright.
- Swidden Cultivators of Central Indiana: The Oliver Phase in a Context of Swidden Agriculture and the Implications of Regional Climate Change. *Indiana Archaeology*, 1:54-114.
- 1996 *Excavations at the Cox's Woods Site (12 Or 1), A Late Prehistoric Oliver Phase Village in the Pioneer Mothers Memorial Forest, Orange County, Indiana*. Research Reports 17. Glenn A. Black Laboratory of Archaeology, Indiana University. Co-author with Brian G. Redmond.
- 1992 “An Overview of the Oliver Phase: A Late Woodland Manifestation from Central Indiana.” In *Native American Cultures In Indiana: Proceedings of the First Minnetrista Council for Great Lakes Native American Studies*, edited by Ronald Hicks. Minnetrista Cultural Center and Ball State University, Muncie, Indiana.

Employment:

- presently Senior Research Archaeologist, Illinois State Archaeological Survey, a division of the Prairie Research Institute, University of Illinois at Urbana-Champaign.
- 2012-14 Principal Investigator, McCullough Archaeological Services LLC. Indianapolis, Indiana.
- 2000–11 Director, IPFW Archaeological Survey, Indiana University-Purdue University Fort Wayne, Department of Anthropology.
- 2000 Senior Staff Archaeologist, Glenn A. Black Laboratory of Archaeology, Indiana University.
- 1997-99 Archaeologist, Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology (SHPO office).
- 1996-97 Principal Investigator, Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology, Survey and Planning Grant (Grant 11009-13), entitled “Population Dynamics of the Late Prehistoric: A Case Study from the

Lower West Fork of the White River.” Glenn A. Black Laboratory of Archaeology, Indiana University.

- 1996 Visiting Lecturer, Indiana University Archaeological Field School, Glenn A. Black Laboratory of Archaeology, Bloomington (1st Summer Session).
- 1995 Principal Investigator, Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology, Survey and Planning Grant (Grant 10070-15), entitled “An Archaeological Investigation of Late Prehistoric Subsistence-Settlement Diversity in Central Indiana: A Diachronic Approach.” Glenn A. Black Laboratory of Archaeology, Indiana University.
- Visiting Lecturer, Indiana University Archaeological Field School, Glenn A. Black Laboratory of Archaeology, Bloomington (1st Summer Session).
- 1994 Instructor, Introduction to Anthropology, with supervision of four graduate assistants, Southern Illinois University, Carbondale (Fall Semester).
- 1993-94 Graduate Assistant, Center for Archaeological Investigations, and Teaching Assistant, Southern Illinois University, Carbondale.
- 1992-93 Field supervisor, Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology, Survey and Planning Grant, entitled “An Archaeological Investigation of Oliver Phase Cultural Dynamics in the East Fork Valley.” Glenn A. Black Laboratory of Archaeology, Indiana University. With Brian Redmond.
- 1991-94 Teaching Assistant and Crew Chief, Indiana University Archaeological Field School, Glenn A. Black Laboratory of Archaeology, Bloomington (4 seasons, 1st Summer Session).
- 1990-92 Graduate Assistant, Center for Archaeological Investigations, Southern Illinois University, Carbondale.
- 1989-90 Indiana Geological Survey Soil Laboratory at Indiana University. Duties and responsibilities consisted of processing soil samples and conducting basic soil analysis. In addition, part-time consulting in archaeology was being conducted for both Ball State and Indiana Universities.
- 1987-89 Archaeologist, Archaeological Resources Management Service, Ball State University. Duties consisted of conducting, and reporting on, numerous surveys and small testing projects across the state of Indiana.
- 1986-87 Archaeologist, Glenn A. Black Laboratory of Archaeology, Indiana University. Responsibilities similar to those for Ball State University.

- 1978-85 Archaeologist, Resource Analysts, Inc. (formerly Soil Systems, Inc.),
Bloomington, Indiana.
- 1978 Curator, Owen County Historical Museum (May to November).
- 1977-78 Curatorial Assistant, Exhibits Department, Indiana University Museum,
Bloomington.
- 1977 Curatorial Assistant, Indianapolis Children's Museum (Summer).
- 1976-77 Curatorial Assistant, Collections Department, Indiana University Museum,
Bloomington.

Fieldwork (selected listings)

- 2013 Phase III data collection on a multicomponent historic and prehistoric site related to the Ohio River Bridges-Downtown Crossing on site 12C1978 in Jeffersonville, Indiana. Principal Investigator, Field Director (McCullough Archaeological Services).

Ground-penetrating radar survey and testing at the Levi Coffin Underground Railroad site, a National Historic Landmark, Fountain City, Indiana. Principal Investigator, Field Director (McCullough Archaeological Services).

Geophysical survey and test excavation at the French Fort Ouiatenon site in conjunction with the University of Southern Indiana archaeological field school. Co-Principal Investigator and Field Director with Michael Strezewski.

Archaeological phase I survey of 198 acres in Hamilton County, Indiana. Principal Investigator, Field Director (McCullough Archaeological Services).

- 2012 Magnetometer survey in the areas around Fort Ouiatenon near Lafayette, Tippecanoe County, Indiana. Field Director, Co-Principal Investigator with Michael Strezewski.

Phase II testing of an early nineteenth-century farmstead in the German Ridge settlement, Perry County, Indiana (under contract). Field Supervisor (Tim Baumann Principal Investigator).

Public programming at Strawtown Koteewi Park for Indiana Archaeology Month. Principal Investigator (McCullough Archaeological Services).

Geophysical survey (ground-penetrating radar, magnetometry, and soil resistivity) at a late-19th- to early-20th-century Indian School (Mt. Pleasant Indian Industrial Boarding School) for Central Michigan University and the Saginaw Band of the Chippewa. Principal Investigator, Field Director (McCullough Archaeological Services).

- 2011 Geophysical survey at the General Lew Wallace (author of Ben Hur) in Crawfordsville, Montgomery County, Indiana for the University of Indianapolis. Principal Investigator, Field Director

Testing geophysical anomalies in New Harmony, Posey County, Indiana. Principal Investigator.

IPFW-AS field school, training ten students in survey and excavation techniques. Conducted at the Late Prehistoric Strawtown enclosure, Indiana (6 weeks). Principal Investigator, Director.

Archaeology Month public excavations at the Strawtown Enclosure, Hamilton County, Indiana. Principal Investigator, Field Director.

2010 Archaeological investigations of the Smith-Sutton site, a late Falls Mississippian village in Clark County, Indiana. Principal Investigator.

Phase III archaeological investigations of Koontz Mill (12-St-136) in Starke County, Indiana, prior to replacement of Koontz Lake dam, spillway, and a culvert with a new bridge and reconstruction of SR 23 (INDOT). Principal Investigator.

Geophysical survey at New Harmony State Park, Posey County, Indiana, for the Indiana State Museum. Principal Investigator.

Archaeology Month public excavations at the Strawtown Enclosure, Hamilton County, Indiana. Principal Investigator, Field Director.

IPFW-AS field school, training 12 students in survey and excavation techniques. Conducted at the Late Prehistoric Strawtown Enclosure, Indiana (6 weeks). Principal Investigator, Director.

Phase Ic and Phase II investigations for the SR 25 wetland and forest mitigation areas, Prophetstown State Park, Tippecanoe County, Indiana (INDOT). Principal Investigator, Field Director about 50 percent of project.

2009 Archaeology Month public excavations at the Castor Farm site (12-H-3), Hamilton County, Indiana. Principal Investigator, Field Director.

Archaeological geophysical survey at Fort Ouiatenon and surrounding area and geophysical survey and limited excavation at Prophetstown State Park at an eighteenth-century French and Wea village. National Park Service Battlefield Protection grant. Co-Principal Investigator (with Michael Strezewski).

IPFW-AS field school, training ten students in survey and excavation techniques. Conducted at the Late Prehistoric Kramer enclosure, Allen County, Indiana (6 weeks). Principal Investigator, Director.

2008 Supervised the scraping and identification of over 80 individuals and the removal of 18 burials from the Mt. Auburn Cemetery, Johnson County, Indiana. Principal Investigator, Co-Field Director.

Archaeology Month public excavations at the Strawtown enclosure site (12-H-883), Hamilton County, Indiana. Principal Investigator, Director.

IPFW-AS field school, training 18 students in survey and excavation techniques. Conducted at the Late Prehistoric Kramer enclosure, Allen County, Indiana (6 weeks). Principal Investigator, Director.

2007 Geophysical survey and limited testing of a nineteenth-century cemetery prior to re-interment for INDOT road expansion. Principal Investigator, Field Director.

National Science Foundation–sponsored Research Experience for Undergraduates program in geophysical survey techniques (8 weeks). Included test excavations on three prehistoric sites at Strawtown Koteewi Park. Principal Investigator, Director.

Archaeology Month public excavations at the Strawtown enclosure site (12-H-883), Hamilton County, Indiana. Principal Investigator, Field Director.

Ground-penetrating radar survey and excavation to identify grave locations in the Mt. Auburn Cemetery, Johnson County, Indiana. Principal Investigator, Co-Field Director (with Christopher Andres).

Applied geophysical survey (ground-penetrating radar, soil resistivity, and magnetometry) to locate an early pioneer cemetery and tested to confirm presence in the Patoka Federal Wildlife Refuge near Oakland City, Indiana. Principal Investigator.

Archaeological phase III investigation for the Charlestown State Park boat ramp, Clark County, Indiana. Indiana Department of Natural Resources, Division of Engineering. Principal Investigator, Co-Field Director.

Geophysical survey and limited testing at a small stockaded Mississippian village (Smith-Sutton, 12-Cl-130) in Clark County, Indiana. Co-Principal Investigator (with Joshua Wells).

2006 Geophysical survey of four prehistoric sites (12-La-84, 91, 522, and 526) for Vulcan Materials, Lake County, Indiana. Principal Investigator.

Geophysical survey at Fort Knox II, William Henry Harrison's military encampment before and after the Battle of Tippecanoe, Vincennes Indiana. Principal Investigator.

IPFW-AS field school, training ten students in survey and excavation techniques. Conducted at Kethtippecanunk (12-T-59), a French and Wea village, Tippecanoe County, Indiana (3 weeks), and the Paleoindian Kosko Conservation site, Warsaw, Kosciusko County, Indiana. Co-Principal Investigator (with Andrew White), Director.

National Science Foundation–sponsored Research Experience for Undergraduates program in geophysical survey techniques (8 weeks). Included test excavations on three prehistoric sites at Strawtown Koteewi Park. Principal Investigator, Director.

Archaeology Month public excavations at the Strawtown enclosure site (12-H-883), Hamilton County, Indiana. Principal Investigator, Field Director.

Phase Ic subsurface reconnaissance (one mile+) for the Eastern Bartholomew County Water Corporation, Columbus, Indiana. Principal Investigator.

Phase I archaeological reconnaissance on the Hunter's Bottom site (15-CI-82), a section of the Ohio River floodplain near Milton, Carroll County, Kentucky. Principal Investigator.

2005 Geophysical survey and test excavations at the Prather site (12-CI-4), Clark County, Indiana. November. Co-Principal Investigator, Co-Field Director (with Cheryl A. Munson).

Archaeology Month public excavations at the Castor Farm site (12-H-3), Hamilton County, Indiana. Principal Investigator, Director.

Archaeological geophysical survey and limited excavation at Prophetstown State Park at an eighteenth-century French and Wea village. National Park Service Battlefield Protection Grant administered by the IDNR Division of Engineering. Principal Investigator.

National Science Foundation–sponsored Research Experience for Undergraduates program in geophysical survey techniques (8 weeks). Included test excavations on four prehistoric sites at Strawtown Koteewi Park. Principal Investigator, Director.

Archaeological reconnaissance and testing of a proposed road corridor in the Steele Bottom, Gallatin County, Kentucky. Principal Investigator, Director

Archaeological records check and Phase Ia archaeological reconnaissance of approximately 48.8 acres for proposed gravel mining near Bethlehem, Clark County, Indiana. Principal Investigator, Director.

2004 Subsurface assessment of five sites in Lake County, Indiana. November-December. Principal Investigator, Co-Field Director (with Michael Strezewski).

Subsurface reconnaissance of a 26-acre portion of Ohio River floodplain, Clark County, Indiana. Principal Investigator, Director.

Excavations at the Strawtown enclosure (12-H-883), Hamilton County, Indiana. Principal Investigator, Co-Field Director (with Andrew White).

IPFW-AS field school training ten students in survey and excavation techniques. Conducted at the Castor Farm site (12-H-3), Hamilton County, Indiana. Principal Investigator, Director.

- Geophysical survey of a portion of the Castor Farm site (12-H-3), Hamilton County, Indiana. May-September 2004. Principal Investigator, Co-Field Director (with Andrew White).
- Resistivity and ground penetrating radar survey of a portion of the Danbury site, Ottawa County, Ohio. Principal Investigator, Director.
- 2003 Subsurface assessment of the Hayes site (15-CI-67), Carroll County, Kentucky. Principal Investigator, Co-Field Director.
- Survey and reconnaissance of the Prather site (12-CI-4), Clark County, Indiana. Co-Principal Investigator, Co-Field Director (with Cheryl A. Munson).
- Excavations at the Strawtown enclosure (12-H-883) and site 12-H-1052, Hamilton County, Indiana. Principal Investigator, Co-Field Director.
- IPFW-AS field school training nine students in field techniques. Conducted at the Castor Farm site (12-H-3), Hamilton County, Indiana. Principal Investigator, Director.
- Subsurface reconnaissance and excavations associated with development of the Taylor Property, Hamilton County, Indiana. Principal Investigator.
- Surface and subsurface reconnaissance of archaeological sites and deposits in an area of proposed park construction, Bartholomew County, Indiana. Co-Principal Investigator, Co-Field Director.
- 2002 Excavations at Clark's Point (12-CI-3), Clark County, Indiana. Co-Principal Investigator (with Andrew White).
- Excavations at the Strawtown enclosure (12-H-883), Hamilton County, Indiana. Principal Investigator, Director.
- Archaeological field reconnaissance for a water main construction project at T. C. Steele State Historic Site, Brown County, Indiana. Principal Investigator, Director.
- Subsurface assessment of site 12-Ko-492, Kosciusko County, Indiana. July 2002. Co-Principal Investigator (with Andrew White).
- Preparation of final report for Phase I and II/III archaeological investigations associated with the Nugent East sand and gravel mining area, Clark County, Indiana. Co-Principal Investigator during analysis and report preparation.
- 2001 IPFW field school in archaeology. Conducted at the Scranage enclosure (12-Dk-363), a Late Woodland earthwork. Two seasons (2001-2002) of excavations. Principal Investigator, Director.

- Excavations at the Strawtown enclosure (12-H-883), a Late Prehistoric circular enclosure and village site in Hamilton County, Indiana. Two seasons (2001-2002) of excavations. Principal Investigator, Director.
- An archaeological field reconnaissance of approximately 162 acres in the Steele Bottom Area near Ohio River Mile 520 in Gallatin County, Kentucky. Principal Investigator, Director.
- Phase II testing of historic site 15Ga63 and prehistoric site 15Ga65, Gallatin County, Kentucky. Principal Investigator, Director.
- A shovel probe survey, subsurface reconnaissance of the Wabash River floodplain, and Phase II investigations of two prehistoric sites in Vigo County, Indiana. Principal Investigator, Director .
- Reconnaissance survey of 80 acres of the Steele Bottom region of Gallatin County, Kentucky. Principal Investigator, Director.
- 2000 Excavation of a ca. 1830s free black farmstead in Orange County, Indiana, with the Indiana State Museum and the Hoosier National Forest. Co-Principal Investigator (with William Wepler of ISM).
- Subsurface reconnaissance for the City of Rockport, Indiana. Principal Investigator, Director.
- Subsurface reconnaissance of a 78-acre parcel in Floyd County, Indiana. Principal Investigator, Director
- 1998 Indiana University-Purdue University Indianapolis archaeological field school at a Late Prehistoric Oliver phase village site (12-H-837) in southern Hamilton County, Indiana. (Three weeks). Co-Principal Investigator (with Dr. James R. Jones III).
- 1996 Research grant involving intensive survey on numerous Late Prehistoric sites and limited test excavations on two of these sites, 1996-1997. Glenn A. Black Laboratory of Archaeology, Indiana University. Principal Investigator (with Christopher Peebles, Project Director).
- Indiana University archaeological field school. Designed and implemented research program and archaeological training for thirty Indiana University students on a large Late Prehistoric village site in Greene County, Indiana (Heaton Farm, 12-Gr-122), including the supervision and coordination for six assistant instructors. Field Director, report author.
- 1995 Research grant involving intensive survey on numerous Late Prehistoric sites and limited test excavations on three of these sites. Glenn A. Black Laboratory of Archaeology, Indiana University. Principal Investigator (with Christopher Peebles, Project Director).

Indiana University archaeological field school. Archaeological training for Indiana University students on an Oliver phase village site (Bundy-Voyles, 12-Mg-1) and on an Upper Mississippian site (Crouch, 12-Jo-5). Crew Chief, report author (with Christopher Peebles, Project Director).

1993-94 Indiana University archaeological field school. Archaeological training for students on the Cox's Woods site (12-Or-1), a Late Prehistoric Oliver phase village site. (2 field seasons.) Assistant Field Director (with Brian G. Redmond, Director).

Phase III mitigation of three Late Archaic midden mound sites with human burials for AMAX Coal, Harrisburg, Illinois. Graduate student (with Michael Hargrave, supervisor).

Salvage excavation of 225 Middle Woodland (Crab Orchard) and Late Woodland (Raymond phase) features at the Old Runway site, Carbondale Municipal Airport, Jackson County, Illinois. Center for Archaeological Investigations, Southern Illinois University, Carbondale. Co-Field Director (with Charles McGimsey, Brian Butler, Principal Investigator).

1992-93 Research grant involving intensive site surveys (on numerous sites) and test excavations on four sites with Oliver phase components. Glenn A. Black Laboratory of Archaeology, Indiana University. Project Supervisor (with Brian Redmond, Principal Investigator).

1991-92 Indiana University archaeological field school. Archaeological training for Indiana University students on the Clampitt site (12-Lr-329), a Late Prehistoric Oliver phase village site. (2 field seasons.) Assistant Instructor (with Brian G. Redmond, Director).

1990 Field evaluation of possible forensic case, for the Sheriff's Department, Williamson County Illinois. Center for Archaeological Investigations, Southern Illinois University, Carbondale. Field Supervisor.

1988-89 Archaeological intensive assessment of five sites, including deep testing and subsurface reconnaissance in the Wabash River floodplain for the southern half of the U.S. 231 Bypass, Tippecanoe County, Indiana. ARMS, Ball State University. Field Supervisor, report author (with Donald R. Cochran, Principal Investigator).

1988 Archaeological salvage at the Slack Farm site, a badly looted Late Mississippian habitation and burial site in Union County, Kentucky. Field volunteer (with Cheryl Ann Munson and David Pollack, Field Directors).

Archaeological survey of the US 231 Bypass, 14 miles of 300 ft.-wide rights-of-way, Tippecanoe County, Indiana. ARMS, Ball State University. Field Supervisor, report author (with Donald R. Cochran, Principal Investigator).

Archaeological field reconnaissance of County Roads 400 East and 350 South (6.5 miles), Montgomery County, Indiana. Field Supervisor, report author.

- 1987 An archaeological reconnaissance of the proposed realignment of State Road 69 from I-64 to State Road 62, Project #F-005-2, Posey County, Indiana. Indiana University. Archaeological Technician (with Cheryl Ann Munson, Principal Investigator).
- 1986 Indiana University field school in mortuary site excavation and human osteology. Deep testing of a primarily Middle to Late Archaic shell midden on the Ohio River floodplain, Warrick County, Indiana. Graduate Student Fieldworker (with Della Cook, Field Director).
- 1985 Deep testing of two multicomponent prehistoric sites on the Ohio River floodplain and two mid-nineteenth century farmsteads on the adjacent uplands, Clermont County, Ohio. American Electric Power Service Corporation. Assistant Archaeologist (with John T. Dorwin, Principal Investigator).
- 1984 An intensive survey of a 35-acre section of an island containing several buried prehistoric components at the Crow Island State Game Area, Bay County, Michigan. U.S. Army Corps of Engineers. Archaeologist, report author.

Archaeological survey of an additional 600 acres in noncontiguous land parcels at Fort Benjamin Harrison, Marion County, Indiana. Mid-Atlantic Region Park Service. Assistant Archaeologist (with Richard Levy, Principal Investigator).

Archaeological testing of sites 12Sp271, 12Sp272, and 12Sp291 at the Rockport Generating Plant, Spencer County, Indiana. American Electric Power Service Corporation. Archaeologist, report author.

Archaeological data recovery at sites 12B351 and 12B352 in Bartholomew County, Indiana. Bartholomew County Highway Department. Archaeologist, report author.

Test excavation on a historic site located within the Rocky Mountain Pumped Storage Facility, Floyd County, Georgia. Georgia Power Company. Assistant Archaeologist.

- 1983 Archaeological survey of 600 acres in randomly selected 40-acre land parcels at Fort Benjamin Harrison, Marion County, Indiana. Assistant Archaeologist (with Richard Levy, Principal Investigator).

Test excavations of the prehistoric component at GP-FL-9, Area D. Rocky Mountain Pumped Storage Facility, Floyd County, Georgia. Georgia Power Company. Archaeologist, report co-author.

Test excavations on ten historic sites located within the Rocky Mountain Pumped Storage Facility, Floyd County, Georgia. Georgia Power Company. Assistant Archaeologist.

Testing and survey of several historic and prehistoric sites (both buried and surface) of Amnicola Farms for the Hamilton County Industrial Park/Riverport project. Chattanooga Area Economic Development Council, Hamilton County, Tennessee. Archaeologist.

Phase II archaeological testing of the Clark Maritime Centre Industrial Park, Clark County, Indiana. Indiana Port Commission. Assistant Archaeologist, report author.

Deep archaeological testing on historic sites in downtown Detroit for the Millender Center. Detroit Community and Economic Development Department, Detroit, Michigan. Assistant Archaeologist.

Survey and test excavations on three upland Late Paleo/Early Archaic sites and one late nineteenth-century historic site, located in the vicinity of a late Pleistocene kettle pond, Shelby County, Indiana. Public Service Indiana. Assistant Archaeologist, report author.

- 1982 A survey of 32 noncontiguous land parcels, 160 acres each, located in the western Indiana coal fields including Warrick, Pike, Clay, and Greene counties. Indiana. Department of Natural Resources. Assistant Archaeologist.

Mitigation of several deeply buried multicomponent sites at Clark Maritime Centre, Jeffersonville, Indiana. Crew Supervisor.

Archaeological deep testing of the Ohio River floodplain for the A. B. Brown Generating Station, Posey County, Indiana. Assistant Archaeologist.

Intensive survey of the proposed steel tower locations in Davies, Hancock, McLean, Ohio, and Webster counties, Kentucky. Big Rivers Electrical Corporation. Archaeologist, report author.

- 1981 Test excavations at a prehistoric/historic site on Silver Creek, Bridge #13, Clark County, Indiana. Clark County Commissioners. Archaeologist, report author.

Test excavation at the mid-nineteenth-century Salmon Lusk house located in Turkey Run State Park, Parke County, Indiana. Assistant Archaeologist.

- 1980-81 Mitigation of a multicomponent site adjacent to the Green River in Ohio County, Kentucky. Big Rivers Electrical Corporation. Assistant Archaeologist.

- 1980 A reconnaissance of 227 noncontiguous land parcels, totaling approximately 7,065 acres, within the Daniel Boone National Forest, eastern Kentucky. Assistant Archaeologist.

Excavation of a deeply stratified site (32Mz58) on the Missouri River in McKenzie County, North Dakota. University of North Dakota. Archaeological Technician.

Test excavation at the multicomponent O. Phillip Harner site in Tippecanoe County, Indiana. Archaeological Technician.

Data collection on the multicomponent Mary Ann Cole site located at the mouth of the Blue River, Crawford County, Indiana. Indiana Department of Natural Resources. Archaeological Technician.

Monitoring of heavy equipment during the initial construction phase of the Hawesville Hydroelectric Plant, Hawesville, Kentucky. Assistant Archaeologist.

- 1979 Surface reconnaissance of 113 noncontiguous land parcels, totaling 50,000 acres, within the Hiawatha National Forest in Michigan's Upper Peninsula. Archaeological Technician.

A lineal survey, measuring approximately 44 miles, in the Ottawa National Forest located in Michigan's Upper Peninsula. Archaeological Technician.

Test excavation at the Sand Hill site, Muscatatuck Wildlife Refuge, Seymour, Indiana. U.S. Fish and Wildlife Service. Archaeological Technician.

Archaeological reconnaissance of a segment of the U.S. 24 relocation corridor, 14 miles between Wabash and Huntington, Indiana. Indiana State Highway Department. Archaeological Technician.

An excavation exposing one half of a Late Mississippian pit house at the Hovey Lake site, Posey County, Indiana. Indiana University Field School. Student Fieldworker (with Cheryl Ann Munson, Field Director).

An archaeological reconnaissance of an 11.5-mile segment of the U.S. 50 relocation corridor, between Bryantsville and Huron, Indiana. Indiana State Highway Department. Archaeological Technician.

An archaeological reconnaissance of the Texas Eastern Pipeline route in Jackson County, Indiana. Archaeological Technician.

An archaeological reconnaissance of a segment of the U.S. 50 relocation corridor, study route C, 12 miles from the western boundary of Jackson County to Brownstown, Indiana. Indiana State Highway Department. Archaeological Technician.

- 1978 An archaeological reconnaissance of a segment of the U.S. 50 relocation corridor 3A, from Bedford 13 miles to the western boundary of Jackson County, Indiana. Indiana State Highway Department. Archaeological Technician.

Test excavation at an open Late Archaic site, Eagle Creek Airport, Marion County, Indiana. Archaeological Technician (with Cheryl Ann Munson, Principal Investigator).

- 1977 Recovery and preservation of several mastodons from a Pleistocene bog, the Christensen mastodon site, Hancock County, Indiana. Indianapolis Children's Museum. Curatorial Assistant.

- 1977- Conducted, and submitted reports on, numerous small surveys across the state of Indiana that do not warrant individual mention.

Technical Reports Authored (selected listings):

Robert McCullough, Stacy Bennett, and Dorothea McCullough

2014 Phase III Archaeological Date Recovery for Site 12CL978 in Downtown Jeffersonville, Clark County, Indiana (DES No. 0300798, DHPA No. 1774): East Side of Fort Street. 2/11/2014

Robert McCullough and Dorothea McCullough

2014 Phase III Archaeological Date Recovery for Site 12CL978 in Downtown Jeffersonville, Clark County, Indiana (DES No. 0300798, DHPA No. 1774): 1/21/2014

Robert McCullough, Dorothea McCullough, and Scott Hipskind

2013 *Archaeological Records Check and a Phase Ia Archaeological Survey for an Approximately 162-Acre Parcel in Advance of Gravel Mining, Hamilton County, Indiana.* Report prepared for Irving Materials, Inc. McCullough Archaeological Services.

Archaeological Records Check and a Phase Ia Archaeological Survey for an Approximately 36-Acre Parcel in Advance of Gravel Mining, Hamilton County, Indiana. Report prepared for Irving Materials, Inc. McCullough Archaeological Services.

Robert McCullough and Dorothea McCullough

2012 *Geophysical Investigations at the Mount Pleasant Indian Industrial Boarding School.* Report prepared for Central Michigan University and the Saginaw Chippewa Indian Tribe of Michigan, August 2012, McCullough Archaeological Services LLC, Fort Wayne, Indiana.

Robert McCullough, editor

2011 *Tenth Anniversary of Archaeology in a Public Venue at Strawtown Koteewi Park, Hamilton County, Indiana: 2010 Archaeological Investigations at the Strawtown Enclosure (12-H-883) and 12-H-1052.* Reports of Investigations 1101, June 2010, U.S. Department of the Interior, Historic Preservation Fund.

Robert G. McCullough and Colin Graham

2010 *Archaeological Investigation of Two Western Basin Tradition-Related Sites in Northeast and Central Indiana, Vol. I: Kramer Enclosure (12-AI-15), Vol. II: Castor Farm (12-H-3).* Reports of Investigations 1001, July 2010, U.S. Department of the Interior, Historic Preservation Fund.

Michael Strezewski, Robert McCullough, Colin Graham, James R. Jones III, and Dorothea McCullough

2010 *Report of the 2009 Archaeological Investigations at Three Fur Trade-Era Sites in Tippecanoe County, Indiana: Kethippecanunk (12-T-59), Fort Ouiatenon (12-T-9), and a Kickapoo- Mascouten Village (12-T-335).* Reports of Investigations 903, July 2010, National Park Service American Battlefield Protection Program.

Robert McCullough, Dorothea McCullough, and Sharon Smith

2010 *Analysis of Ceramics Recovered from the Ana Lynn Site (12-Ws-284).* Reports of Investigations 806. (Two seasons.) IPFW-AS, Fort Wayne, Indiana.

Dorothea McCullough, editor, with contributions by Craig Arnold, Leslie Bush, Colin Graham, Scott Hipskind, and Robert McCullough

2009 *Archaeological Investigation of Three Western Basin Tradition Sites in Allen County, Indiana*. Reports of Investigations 901. IPFW-AS, Fort Wayne, Indiana.

Colin Graham and Robert McCullough, with contributions by Craig Arnold, Scott Hipskind, and Dorothea McCullough

2009 *Archaeology in a Public Venue at the Strawtown Enclosure (12-H-883): 2008*. Reports of Investigations 902. IPFW-AS, Fort Wayne, Indiana.

Joshua J. Wells, Craig R. Arnold, and Robert G. McCullough.

2008 *Multiple Methods of Landscape and Site Specific Survey in an Archaeological Assessment of Clark County, Indiana*. Reports of Investigations 802. IPFW-AS, Fort Wayne, Indiana.

Robert G. McCullough, editor

2008 *Archaeology in a Public Venue at the Strawtown Enclosure (12-H-883): 2007*. Reports of Investigations 805. IPFW-AS, Fort Wayne, Indiana.

Michael Strezewski, Robert G. McCullough, Dorothea McCullough, Craig Arnold, and Joshua J. Wells, with contributions by James R. Jones III and Leslie Bush

2007 *Report of the 2006 Archaeological Investigations at Kethippecanunk (12-T-59), Tippecanoe County, Indiana*. Reports of Investigations 703, submitted to the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology.

Craig R. Arnold, Colin Graham, Scott Hipskind, Dorothea McCullough, Robert G. McCullough, and Mariah Yager.

2007 *Archaeology in a Public Venue at the Strawtown Enclosure (12-H-883): 2006*. Reports of Investigations 701, submitted to the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology.

Robert McCullough, editor, with contributions by Leslie Bush, Scott Hipskind, Adam Lauer, Dorothea McCullough, R. Brian Somers, Andrew White, and Mariah Yager

2005 *Late Prehistoric Archaeology of a Frontier*. Reports of Investigations 502, submitted to the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology.

Robert G. McCullough, Andrew A. White, Michael R. Strezewski, and Dorothea McCullough

2004 *Frontier Interaction during the Late Prehistoric Period: A Case Study from Central Indiana*. Reports of Investigations 401. Indiana University-Purdue University Fort Wayne Archaeological Survey, Fort Wayne.

Cheryl A. Munson and Robert G. McCullough.

2004 *Archaeological Investigations at the Prather Site, Clark County, Indiana: The 2003 Baseline Archaeological Survey*. Report submitted to the Division of Historic Preservation and Archaeology, Indiana Department of Natural Resources. IPFW-Archaeological Survey.

Andrew A. White, Dorothea McCullough, and Robert G. McCullough

2003 *Archaeological Investigations of Areas of Proposed Development within the Taylor Property, Hamilton County, Indiana*. Reports of Investigations 311 and 312. Indiana University-Purdue University Fort Wayne Archaeological Survey, Fort Wayne.

Andrew A. White, Robert G. McCullough, and Dorothea McCullough

2003 *Archaeological Investigations at Two Late Prehistoric Earthen Enclosures in Indiana*. Reports of Investigations 301. Indiana University-Purdue University Fort Wayne Archaeological Survey, Fort Wayne.

Andrew A. White, Dorothea McCullough, and Robert G. McCullough

2003 *Archaeological Records Check and Phase Ia Archaeological Reconnaissance for Two Proposed Trail Segments in Fort Wayne, Indiana*. Report of Investigations 303. IPFW Archaeological Survey, Fort Wayne, Indiana.

Andrew A. White, Robert G. McCullough, and Dorothea McCullough

2003 *Archaeological Records Check and Phase Ia Archaeological Reconnaissance for the Proposed Purdue Technology Center near Merrillville in Lake County, Indiana*. Report of Investigations 304. IPFW Archaeological Survey, Fort Wayne, Indiana.

Andrew A. White, Dorothea McCullough, and Robert G. McCullough

2002 *An Archaeological Evaluation of Late Prehistoric Village and Subsistence Patterns in North-central and Northeastern Indiana*. Reports of Investigations 216. Indiana University-Purdue University Fort Wayne Archaeological Survey, Fort Wayne.

Dorothea McCullough, Nikki Waters, Devin Fishel, and Robert McCullough

2002 *Phase I Archaeological Field Reconnaissance of Approximately 162 acres in the Steele Bottom Area near Ohio River Mile 520 in Gallatin County, Kentucky*. Report of Investigations 202. Indiana University-Purdue University Fort Wayne Archaeological Survey, Fort Wayne.

Nikki Waters, Dorothea McCullough, and Robert G. McCullough.

2002 *Phase I Archaeological Field Reconnaissance of Approximately 80 Acres in the Steele Bottom Area near Ohio River Mile 520 in Gallatin County, Kentucky*. IPFW Archaeological Survey, Fort Wayne, Indiana.

Robert McCullough, Nikki Waters, Sarah Surface-Evans, Sheldon Burdin, and Cindy Parish

2001 *Final Report of a Phase I Archaeological Field Reconnaissance of Approximately 100 Acres and Phase II Archaeological Test Excavations of sites 12-CI-496, 12-CI-562, 12-CI-563, 121-CI-564, 12-CI-565, and 12-CI-586 within portions of the Proposed Nugent Sand Co. Sand and Gravel Extraction Area (Lucas Tract) Near Bethlehem Bottoms, Clark County, Indiana*.

Nikki Waters and Robert McCullough

2001 *Phase Ic Archaeological Subsurface Reconnaissance Report Detailing the Preliminary Investigations for the Proposed Sand and Gravel Mining of a 78 Acre Parcel in Floyd County, Indiana*.

William Wepler, Dot McCullough, Robert G. McCullough, and Sarah Arthur

2001 *The Roberts Site: An Initial Investigation of an Antebellum Multicultural Community, Orange County, Indiana*. Report prepared for U.S.D.A, Hoosier National Forest.

Robert G. McCullough, Albert H. Brine, Sheldon R. Burdin, Edward E. Smith, Sarah L. Surface-Evans, and Brandon C. Bradshaw

2000 *Interim Report of Findings for the Phase II Archaeological Test Excavations at sites 12-Cl-496, 562, 563, 564, 565, and 586 within Portions of the Proposed Nugent Sand Co. Sand and Gravel Extraction Area (Lucas Tract) Near Bethlehem, Clark County, Indiana*.

Nikki A. Waters, Robert G. McCullough, Albert H. Brine, and Edward E. Smith.

2000 *Phase II Archaeological Subsurface Reconnaissance and Testing of Sites 15-Hd-576, 15-Hd-577, 15-Hd-578, 15-Hd-580, 15-Hd-619, 15-Hd-620 and 15-Hd-621 at the Proposed Nugent Sand Co. Sand and Gravel Off-Loading and Sales Facility with adjoining Access Road (PN# 199601856) near West Point in Hardin County, Kentucky*.

Robert G. McCullough and Timothy M. Wright

1997 *Population Dynamics of the Late Prehistoric: A Case Study from the Lower West Fork of the White River*. Report submitted to the Division of Historic Preservation and Archaeology, Indiana Department of Natural Resources. Reports of Investigations 97-18, Glenn A. Black Laboratory of Archaeology, Indiana University.

Robert G. McCullough and Timothy M. Wright

1996 *An Archaeological Investigation of Late Prehistoric Subsistence-Settlement Diversity in Central Indiana*. Report submitted to the Division of Historic Preservation and Archaeology, Indiana Department of Natural Resources. Reports of Investigations 96-14, Glenn A. Black Laboratory of Archaeology, Indiana University.

Brian G. Redmond and Robert G. McCullough

1995 *The 1993 and 1994 Summer Excavations of the Cox's Woods Site (12 Or 1), A Late Prehistoric, Oliver Phase Village in the Pioneer Mothers Memorial Forest Recreation Area, Hoosier National Forest*. Report submitted to the Hoosier National Forest, USDA Forest Service. Report of Investigations 95-9, Glenn A. Black Laboratory of Archaeology, Indiana University.

Brian G. Redmond and Robert G. McCullough

1994 *Survey and Test Excavation of Late Prehistoric, Oliver Phase Components in Martin, Lawrence, and Orange Counties, Indiana*. Report submitted to the Division of Historic Preservation and Archaeology, Indiana Department of Natural Resources. Reports of Investigations 93-13, Glenn A. Black Laboratory of Archaeology, Indiana University.

Robert G. McCullough

1989 *Archaeological Testing and Subsurface Reconnaissance for the Southern Portion of the U.S. 231 Bypass, Lafayette, Indiana*. Report prepared for the Indiana Department of Highways. Archaeological Resources Management Service, Ball State University, Muncie, Indiana.

Robert G. McCullough

1988 *An Archaeological Reconnaissance of the U.S. 231 Bypass, Project F-071-2(001), Lafayette, Indiana.* Report prepared for the Indiana Department of Highways. Archaeological Resources Management Service, Ball State University, Muncie, Indiana.

Robert G. McCullough

1988 *Archaeological Field Reconnaissance, Montgomery County Roads 400 East and 350 South, Montgomery County, Indiana.* Prepared for Butler, Fairman and Seufert, Inc. Archaeological Resources Management Service, Ball State University, Muncie, Indiana.

Robert G. McCullough

1985 *An Intensive Archaeological Survey of a Proposed Borrow Area and Disposal Lagoon on Crow Island, Crow Island State Game Area, Bay County, Michigan.* Prepared for the U.S. Army Corps of Engineers.

Robert G. McCullough

1984 *Archaeological Data Collection Conducted at Sites 12B351 and 12B352 in Bartholomew County, Indiana.* Prepared for the Bartholomew County Highway Department.

Robert G. McCullough

1984 *Phase II Archaeological Testing of Sites 12Sp271, 12Sp272 and 12Sp291 at the Rockport Generating Plant, Spencer County, Indiana.* Prepared for Public Service Indiana.

Robert G. McCullough and Robin J. Myers

1984 Test excavations on the prehistoric component of GP-FL-9, Area D. In *Report of Investigations, Phase II, Task I, Research and Recovery Program for Historic Resources, Cultural Resources Effects Mitigation Plan, Rocky Mountain Pumped Storage Project, Floyd County, Georgia*, pp.102-146. Prepared for the Georgia Power Company.

Robert G. McCullough

1983 *Phase II Archaeological Testing of the Clark Maritime Centre Industrial Park, Clark County, Indiana.* (This report presents the results of test excavations conducted on sites 12C1112 A and B, 12C1125 and 12C1140.) Prepared for the Indiana Port Commission.

Robert G. McCullough

1983 *Archaeological Investigations at the Gwynneville Substation, Shelby County, Indiana: Survey and Test Excavations of Three Upland Late Paleo–Early Archaic Sites, and One Nineteenth- Century Historic Site, Located in the Vicinity of a Late Pleistocene Kettle Pond.* Prepared for Public Service Indiana.

Robert G. McCullough

1982 *An Intensive Archaeological Survey of the Proposed Steel Tower Structure Sites on the Wilson to Reid and Wilson to Colman 345KV Transmission Lines, Kentucky.* Prepared for the Big Rivers Electrical Corporation.

Robert G. McCullough

- 1981 *Archaeological Test Excavations at a Prehistoric and Historic Site (12Cl307) within the Revised Right-of-way for the Proposed Relocation of Clark County Bridge #13.* Prepared for the Clark County Commissioners.
- 1983- Conducted, and submitted reports on, many small surveys and testing projects across the state of Indiana. These reports are on file at Ball State University, Indiana University, Indiana University-Purdue University, Fort Wayne, and the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology.

Professional Presentations:

- 2014 “Functional Changes in Late Prehistoric Enclosures in Indiana” Presented at the 58th Annual Meeting of the Midwest Archaeological Conference, Champaign, Illinois, October 2-4, 2014.
- “Late Prehistoric Ceramics in Indiana.” Invited participation in a ceramic workshop held at the 58th Annual Meeting of the Midwest Archaeological Conference, Champaign, Illinois, October 2, 2014.
- “The German Ridge Heritage Project in Hoosier National Forest: Excavations at the Maier-Speidel Farmstead”. Timothy Baumann, Robert McCullough, Valerie Altizer, Heather Alvey, Jeff Tolbert, and Angie Krieger. Paper presented at the annual meeting of the Midwest Archaeological Conference, October 24-27, Columbus, Ohio.
- 2013 “A Castor Phase Typology for Central Indiana” Indiana Archaeological Council workshop, Strawtown, April 20, 2013.
- 2012 “Continuing the Fort Ancient Conversation: an invited symposium focusing on Fort Ancient structures, at Sunwatch Indian Village, September 15-16, Dayton, Ohio. Co-organizer with David Pollack, Gwynn Henderson, and William Kennedy.
- 2011 “Continuing the Conversation: An Invited Symposium of Fort Ancient Researchers,” 25th anniversary of the first Fort Ancient symposium, at Strawtown Koteewi Park, August 18-20, 2011. Co-organizer with David Pollack and Gwynn Henderson.
- 2010 “The Castor Phase: Late Prehistoric Farmers in Central Indiana.” Invited paper presented at the symposium “Indiana Archaeology: The Crossroads of American Archaeology,” 56th Annual Meeting of the Midwest Archaeological Conference, Bloomington, Indiana, October 21-24, 2010.
- “The Fourteenth and Early Fifteenth Century Oneota Presence in Central Indiana: Cultural Interactions on the Eastern Periphery.” Invited paper presented at the symposium “Perspectives on Socio-cultural Changes during the Late Mississippian Period of the Ohio Confluence and Neighboring Regions in the Southeast and Midwest,” 56th Annual Meeting of the Midwest Archaeological Conference, Bloomington, Indiana, October 21-24, 2010. Lead author with Dr. Mark Hill, Ball State University.

- “The Oliver Phase: Fort Ancient's Westernmost Expression, A.D. 1200-1450.” Invited paper presented at the symposium “Since Adams County: (Almost) Twenty-five Years of Fort Ancient Research and, What's Next?,” 67th Annual Meeting of the Southeastern Archaeological Conference, Lexington, Kentucky, October 28-31, 2010.
- “The 2009 Late Woodland HPF Grant, a Preliminary Report.” Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown, March 20, 2010.
- “Investigations at Fort Ouiatenon and Kethtippecanunk, Two Fur-Trade Era Sites in Tippecanoe County, Indiana.” Paper presented at the 75th Annual Meeting, Society for American Archaeology, St. Louis, Missouri, April 14-18, 2010. With Michael Strezewski (lead author).
- 2009 “Preliminary Report of Investigations at the Late Prehistoric Kramer Enclosure (12-A1-15) in Northeastern Indiana.” Paper presented at the Midwest Archaeological Conference, Iowa City, Iowa, October 17, 2009.
- “Archaeological Investigations and Removal of Nineteen Individuals from the Mount Auburn Methodist Cemetery in Greenwood, Indiana.” Poster presented at the Midwest Archaeological Conference, Iowa City, Iowa, October 16, 2009. With Craig Arnold (lead author) and Dorothea McCullough.
- “Central Indiana as a Prehistoric Frontier: Western Basin, Fort Ancient, and Oneota.” Invited paper presented in the symposium “Mounds, Towns, Theories, and Numbers: Celebrating the Career of Christopher S. Peebles,” at the 74th Annual Meeting of the Society for American Archaeology, Atlanta, Georgia, April 23, 2009.
- “Late Prehistoric Enclosures and Western Basin Transformation in Northeastern Indiana.” Invited paper presented at the Archaeology of Prehistoric Native Americans in the Western Lake Erie Region Conference, University of Toledo, March 28, 2009.
- “The Kramer Site: A Late Prehistoric Enclosure. Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown, March 21, 2009.
- 2008 “Producing Multiscalar Data on Falls Mississippian Settlement Practices with Informatics and Outreach.” Paper presented at the Midwest Archaeological Conference, Milwaukee, Wisconsin, October 2008. With Joshua Wells (lead author) and Craig Arnold.
- “Current IPFW-Archaeological Survey Research.” Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown, April 5, 2008.
- 2007 “Oneota in Central Indiana: Two 14th-Century Expressions on the Eastern Periphery.” Invited paper presented in the symposium “An Oneota Forum in Five Sessions. Part 1: Oneota Origins,” at the 53rd Annual Meeting of the Midwest Archaeological Conference, University of Notre Dame, Notre Dame, Indiana, October 4-6, 2007.

“Castor Phase Peoples of Central Indiana.” Invited paper presented in the symposium “Filling the Black Hole: Current Research in Indiana Archaeology,” at the 53rd Annual Meeting of the Midwest Archaeological Conference, University of Notre Dame, Notre Dame, Indiana, October 4-6, 2007.

“Three Years of Geophysical Archaeology at Strawtown, Indiana: An Overview of Archaeological and Educational Results from a National Science Foundation Sponsored Research Experience for Undergraduates program.” Poster presented in poster symposium (organized by McCullough, Wells, and Strezewski) “Indiana University-Purdue University Fort Wayne Archaeological Survey’s Research Experiences of Undergraduates in Geophysical Archaeological Methods,” at the 53rd Annual Meeting of the Midwest Archaeological Conference, University of Notre Dame, Notre Dame, Indiana, October 4-6, 2007. With Michael Strezewski, Joshua Wells, and Andrew White.

“Current Activities of the IPFW Archaeological Survey.” Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown, March 17, 2007.

“Summary of Geophysical Research at Strawtown “Koteewi” Park.” Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown, March 17, 2007.

2006 “Recent Research by the IPFW Archaeological Survey.” Paper presented at the Spring Workshop of the Indiana Archaeology Council, Strawtown Koteewi Park, March 25, 2006.

“Ancient and Modern Technologies Workshop: Upper Mississippian Ceramics.” Invited participant in workshop held at the 52nd Annual Meeting of the Midwest Archaeological Conference, Urbana, Illinois, October 12-14, 2006.

“A Workshop on Noninvasive Shallow Subsurface Methods.” Invited presentation at a workshop held at the annual meeting of the Indiana Academy of Science, Muncie, November 2006.

“The 2005 Archaeological Investigations at the Prather Site (12-CI-4): Surveys, Geoarchaeology, and Test Excavations.” Paper presented at the 52nd Annual Meeting of the Midwest Archaeological Conference, Urbana, Illinois, October 12-14, 2006. With Cheryl Munson (lead author) and C. Russell Stafford.

“Geoarchaeology of a Mississippian Mound at the Prather Site in the Lower Ohio River Valley.” Paper presented at the Annual Meeting of the Geological Society of America, Philadelphia, Pennsylvania, October 22-25, 2006. With C. Russell Stafford (lead author) and Cheryl Munson.

“The National Science Foundation–Sponsored Research Experience for Undergraduates in Geophysical Survey at Strawtown, Indiana: Background for the Second Year.” Poster presented at the 52nd Annual Meeting of the Midwest Archaeological Conference, Urbana, Illinois, October 12-14, 2006. With Andrew White.

- 2005 “An Overview of Archaeological Investigations at Strawtown, Hamilton County, Indiana.” Paper prepared for the 82nd Annual Meeting of the Central States Anthropological Society, Oxford, Ohio, March 10-12, 2005. (Presented by Michael Strezewski.)
- “Introduction and Current Overview of the Oliver Phase of Central Indiana.” Paper presented at the Spring Workshop, “Current Research in Indiana Archaeology,” Indiana Archaeology Council, Strawtown, Indiana, April 16, 2005.
- “Prather Site, Clark County, Indiana: Baseline Survey and Future Research Plans.” Paper presented at the Spring Workshop, “Current Research in Indiana Archaeology,” Indiana Archaeology Council, Strawtown, Indiana, April 16, 2005. With Cheryl Ann Munson and Andrew White.
- “Overview of Research Experiences for Undergraduates in Geophysical Survey at Strawtown Koteewi Park.” (Co-authored with Andrew A. White) Poster presented at the 51st Annual Meeting of the Midwest Archaeological Conference, Dayton, Ohio, October 20-23, 2005.
- “Geophysical Survey and Excavation of a Semi-Subterranean Structure at the Castor Farm Site (12-H-3), a Late Prehistoric Village in Central Indiana.” Paper presented at the 82nd Annual Meeting of the Central States Anthropological Society, Oxford, Ohio, March 10-12, 2005. With Andrew A. White.
- “Identification of a Semi-Subterranean Structure at the Castor Farm Site (12-H-3) Using Multiple Geophysical Methods.” Paper presented at the Spring Workshop, “Current Research in Indiana Archaeology,” Indiana Archaeology Council, Strawtown, Indiana, April 16, 2005. With Andrew A. White.
- 2004 “Excavations and Geophysical Survey at the Castor Farm Site (12-H-3), a Late Prehistoric Village in Central Indiana.” Paper presented at the annual meeting of the Indiana Academy of Science, Hanover College, Indiana, October 29, 2004. With Andrew A. White.
- “Preliminary Report of Excavations at the Late Prehistoric Castor Farm Village Site (12-H-3) in Central Indiana.” Paper presented at the joint annual meeting of the Midwest Archaeological Conference and Southeast Archaeological Conference, St. Louis, Missouri, October 22, 2004. With Andrew A. White.
- “Examining Population Dynamics through Attribute Seriation: Implications for the Late Prehistoric Oliver Phase of Indiana.” Paper presented at the 69th Annual Meeting of the Society for American Archaeology, Montreal, Canada, April 3, 2004.
- 2003 “Structure and Development of the Late Prehistoric Strawtown Enclosure and Village in Central Indiana.” Paper presented at the 49th Annual Meeting of the Midwest Archaeological Conference, Milwaukee, Wisconsin, October 19, 2003. With Andrew A. White.

- 2002 “Construction, Use, and Deterioration of Two Late Prehistoric Earthen Enclosures in Indiana” Paper presented at the 48th Annual Meeting of the Midwest Archaeological Conference, Columbus, Ohio, October 5, 2002. With Andrew White.
- “Understanding Formation Processes of Late Woodland/Late Prehistoric Earthen Enclosures in Indiana.” Presented at the 118th Annual Meeting of the Indiana Academy of Science, Butler University, Indianapolis, Indiana, October 11, 2002. With Andrew White.
- “Excavations at the Strawtown Enclosure: After the Second Season.” Paper presented at the 118th Annual Meeting of the Indiana Academy of Science, Butler University, Indianapolis, Indiana, October 11, 2002.
- 2001 “Preliminary Report on Two Circular Enclosure Excavations in Indiana: Different Uses of Similar Spaces.” Paper presented at the 47th Annual Meeting of the Midwest Archaeological Conference, La Crosse, Wisconsin, October 13, 2001.
- “Preliminary Report of Excavations at Strawtown.” Paper presented at the 117th Annual Meeting of the Indiana Academy of Science in Fort Wayne, Indiana, November 9, 2001.
- “Preliminary Report of Archaeological Findings at an Antebellum African American Farmstead in Southern Indiana.” Paper presented in the symposium “Archaeology in ‘Glory Land’: Excavation of African American Sites North of the Ohio River,” at the 66th Annual Meeting of the Society for American Archaeology, New Orleans. Lead author with Dorothea McCullough, William Wepler, and Sarah Arthur.
- 1998 “Cultural Interaction along the West Fork of the White River during the Late Woodland Period.” Paper presented at the 43rd Annual Meeting of the Midwest Archaeological Conference, Muncie, Indiana, October 23, 1998.
- 1997 “The Late Woodland to Late Prehistoric Occupations of Central Indiana.” Paper presented at the Urbana Late Woodland Conference, University of Illinois, Urbana-Champaign, March 1, 1997. With Brian Redmond (lead author).
- 1996 “Recent Excavations of Three Late Prehistoric Sites in Central Indiana.” Paper presented at the 112th Annual Meeting of the Indiana Academy of Science, Depauw University, Greencastle, November 8, 1996.
- 1995 “Recent Research on Oliver Phase Sites.” Paper presented at the Spring Workshop of the Council for the Conservation of Indiana Archaeology.
- 1994 “Climate Change and Swidden Horticulture: Implications for the Late Prehistoric Period of Indiana.” Paper presented at the 110th Annual Meeting of the Indiana Academy of Science, Indiana University-South Bend, Indiana, November 4, 1994.
- “A Preliminary Report of Investigations at the Cox's Woods Site (12-Or-1): An Oliver Phase Stockaded Village in Orange County, Indiana.” Paper presented at the Annual Meeting of the Indiana Historical Society, Indianapolis, November 5, 1994.

1992 “An Overview of the Oliver Phase in Indiana.” Paper presented at the 2nd Annual Working Conference, “Late Woodland Period Prehistory/Archaeology,” of the Council for the Conservation of Indiana Archaeology, Indiana State Museum, Indianapolis, March 14, 1992. With Brian Redmond.

“Fort Ancient Adaptation on the Western Frontier: A Reinterpretation of the Oliver Phase.” Paper presented at the 57th Annual Meeting of the Society for American Archaeology, Pittsburgh, Pennsylvania, April 8-12, 1992. With Brian Redmond.

“Archaeological Investigations of Oliver Phase Occupations in the East Fork of the White River Drainage: A Progress Report, 1992.” Paper presented at the 108th Annual Meeting of the Indiana Academy of Science, Ball State University, Muncie, Indiana, November 6, 1992.

“A Progress Report of Oliver Phase Research in Southern Indiana.” Paper presented at the Annual Meeting of the Indiana Historical Society, Indianapolis, November 7, 1992.

1990 “A Reanalysis of Ceramics from the Bowen Site: Implications for Defining the Oliver Phase of Central Indiana.” Paper presented at the Annual Meeting of the Midwest Archaeological Conference, Northwestern University, Evanston, Illinois.

“An Overview of the Oliver Phase: A Late Woodland Manifestation from Central Indiana.” Paper presented at the East Central Indiana Native American Cultural Symposium, Muncie, Indiana, March 29, 1990.

Teaching Experience:

2011 Prehistory of Eastern North America (P361). Spring semester, IPFW.

Indiana University-Purdue University Fort Wayne archaeological field school (P405). Conducted at the Strawtown Enclosure, Strawtown, Indiana (2nd summer session).

Archaeological Method and Techniques” (P400), Fall semester.

2010 Indiana University-Purdue University Fort Wayne archaeological field school (P405). Conducted at the Strawtown Enclosure, Strawtown, Indiana (2nd summer session).

2009 Prehistory of Eastern North America (P361). Spring semester, IPFW.

Indiana University-Purdue University Fort Wayne archaeological field school (P405). Conducted at the Kramer Enclosure, Fort Wayne (1st summer session).

Archaeological Method and Techniques” (P400), Fall semester.

2008 Indiana University-Purdue University Fort Wayne archaeological field school (P405). Conducted at the Kramer Enclosure, Fort Wayne (1st summer session).

- Prehistory of Eastern North America (P361). Spring semester, IPFW.
- 2007 Research Experience for Undergraduates: Application of Geophysical Methods to the Archaeology of Late Prehistoric Central Indiana, Year 3." Second Summer Session 2007. (with Michael Strezewski)
- 2006 Research Experience for Undergraduates: Application of Geophysical Methods to the Archaeology of Late Prehistoric Central Indiana, Year 2." Second Summer Session 2006. (with Andrew White, and Michael Strezewski)
- Indiana University-Purdue University Fort Wayne archaeological field school (P405) (1st summer session).
- Archaeological Method and Techniques (P400), Fall.
- 2005 Research Experience for Undergraduates: Application of Geophysical Methods to the Archaeology of Late Prehistoric Central Indiana, Year 1." Second Summer Session 2006. (with Andrew White and Michael Strezewski)
- Archaeological Method and Techniques (P400), Fall, IPFW
- 2002-05 Prehistory of Eastern North America (P361). Spring semesters, IPFW.
- 2001-04 Indiana University-Purdue University Fort Wayne, archaeological field school (P405) (1st summer session-4 summers).
- 1998 Volunteer teaching assistant/Co-Principal Investigator for the I.U.P.U.I. summer field school conducted in southern Hamilton County.
- 1996 Visiting Lecturer, Indiana University Archaeological Field school, Glenn A. Black Laboratory of Archaeology, Bloomington, Indiana. (1st summer session).
- 1995 Visiting Lecturer, Indiana University Archaeological Field School, Glenn A. Black Laboratory of Archaeology, Bloomington, Indiana. (1st summer session).
- 1994 Lecturer, Introduction to Anthropology (four subfield approach). Responsible for presentations in lecture hall, and supervision of 4 teaching assistants with discussion sections, Fall Semester. Department of Anthropology, Southern Illinois University at Carbondale.
- 1990-94 Teaching assistant/co-field director (1994), summer archaeological field school (four seasons). Field supervision of Indiana University students under the direction of Brian G. Redmond, Glenn A. Black Laboratory of Archaeology.
- 1993 Assistant instructor, People and Cultures of the Caribbean. Course taught by Jerome Handler, Fall Semester, Department of Anthropology, Southern Illinois University at Carbondale.

1993 Assistant instructor, Introduction to Anthropology (four subfield approach). Spring semester. Department of Anthropology, Southern Illinois University at Carbondale.
