

**STEVEN R. KUEHN**  
**CURRICULUM VITAE**

**Contact Information:**  
2404 Robin Road  
Mahomet, IL 61853

(217) 417-3719 (cell)  
(217) 607-5283 (work)  
skuehn@illinois.edu

**EDUCATION**

- 1995-1997        Masters of Science degree in Anthropology, University of Wisconsin-Milwaukee.
- 1992-1993        Graduate studies program, Department of Anthropology. University of Wisconsin-Madison.
- 1986-1990        Bachelor of Science degree in Anthropology, University of Wisconsin-Madison.

**PROFESSIONAL EXPERIENCE**

**Illinois State Archaeological Survey (ISAS)**  
**Prairie Research Institute**  
**University of Illinois at Urbana-Champaign**  
209 Nuclear Physics Lab  
23 Stadium Drive  
Champaign, IL 61820  
(217) 244-8883

July 2006 to present

**Faunal Analyst/Cultural Resources Archaeologist.** Responsible for analysis of faunal material recovered from prehistoric and historic archaeological sites investigated by ISAS. Prepare written reports on zooarchaeological assemblages; maintain and develop ISAS osteological comparative collection for use in faunal analyses. Maintain tracking system for all zooarchaeological material submitted to Faunal Lab for analysis; supervise lab staff in processing and analysis of faunal material. Consult with ISAS Project Archaeologists and research staff regarding results of faunal analyses and addressing research questions for specific projects. Answer public inquiries regarding discoveries of faunal material, provide specimen identification and further information as warranted; participate in outreach events and professional outreach and developmental activities.

**Museum Archaeology Program,**  
**Wisconsin Historical Society**  
816 State Street  
Madison, WI 53706  
(608) 264-6560

September 1992 to July 2006

**Senior Archaeologist/Project Director.** Responsible for all aspects of cultural resource survey, evaluation, and mitigation of historic and prehistoric sites throughout Wisconsin, including all field work, laboratory analysis and interpretation, and report preparation. Experienced with variety of cultural resource management projects including highway corridors, wetland mitigations, municipal and utility projects, cemetery documentation and monitoring, bridge replacements, borrow pits, and timber sales. Familiar with all aspects of archaeological field investigations and related logistics, as well as laboratory analysis and report preparation. Listed as an Archaeologist Qualified to Excavate Burials, under the Wisconsin Burial Site Preservation Law. Compiled an extensive record of report preparation, completed within budgetary constraints and scheduling deadlines. Laboratory and analysis experience focused on the identification and interpretation of zooarchaeological remains, although also have substantial knowledge of historic material

culture analysis, archival research, lithic and ceramic analysis, spatial analysis, artifact illustration, photography, and drafting. In addition to analyzing all faunal material for the Museum Archaeology Program, analyzed zooarchaeological material for outside organizations on a contract basis. In this capacity, was responsible for designing project budgets, developing research designs, maintaining an extensive comparative collection, working with other professional archaeologists and institutions, and providing concise, informative reports in a timely manner.

**Metcalf Archaeological Consultants, Inc.**

June 1992 to August 1992

P. O. Box 899  
Eagle, CO 81631  
(303) 328-6244

**Field Archaeologist.** Employed as a field archaeologist on various Phase II and III testing and mitigation excavation projects in northwestern Colorado and North Dakota.

**Louis Berger and Associates**

April 1992 to May 1992

Cultural Resource Group  
107 8<sup>th</sup> Avenue SE  
P. O. Box 5247  
Cedar Rapids, IA 52406  
(319) 362-0051

**Field Archaeologist.** Worked on a Phase I archaeological survey and testing project for a highway expansion project in southeastern Iowa, through a contract with the Iowa Department of Transportation.

**Institute for Minnesota Archaeology**

January 1991 to April 1992

2635 4<sup>th</sup> Street SE  
Minneapolis, MN 55414  
(612) 623-0299

Dr. Clark Dobbs, Senior Archaeologist

**Archaeologist; Assistant Crew Leader.** Involved in all phases of archaeological survey and excavation on various projects in Minnesota, Wisconsin, and Michigan. Majority of field work entailed mitigation of multicomponent prehistoric sites in northern Minnesota and the Saginaw Valley of Michigan. Responsible for the analysis of faunal remains from several sites in Michigan and Minnesota. Research projects while employed at the Institute for Minnesota Archaeology (IMA) focused on the study of faunal material from the Peterson site (21YM47), an Archaic bison kill site near Granite Falls, Minnesota. Supervised the IMA's volunteer archaeology program, and served as an assistant instructor at the 1991 IMA Field School at the Diamond Bluff site (47PI2) in Pierce County, Wisconsin.

- Phase I Archaeological Investigations of the Rockbridge Wetland Mitigation Site, Richland County, Wisconsin*. Research Report in Archaeology No. 61.
- Budget Proposal: Proposed Phase II Archaeological Investigations at Two Sites in the Bell Center Wetland Mitigation Project Area*. Submitted to Jennifer Kolb, Program Director.
- 1996 (with Norman Meinholz) *The Archaeology of Deadman Slough: Late Paleoindian/Early Archaic and Woodland Occupations along the Flambeau River, Price County, Wisconsin*. Archaeology Research Series No. 4.
- Faunal Analysis: The Nourse Site (47 Ri-153). In *Nourse Site (47 Ri-153): Phase III Investigation of a Portion of a Middle Archaic to Late Woodland Site, Richland County, Wisconsin* prepared by K. E. Dickerson and M. Baumann, pp. 84-87. Research Report in Archaeology No. 57.
- Faunal Analysis of the Just Leske (47 Lc-603) Site. In *Phase II Evaluation of the Just Leske (47 Lc-603) Site along USH 14/61, La Crosse County, Wisconsin* by P. Ladwig. Research Report in Archaeology No. 49.
- (with P. Trocki) *Phase I Archaeological and Geomorphological Investigations in the Chequamegon National Forest, Wisconsin, and Phase II Evaluation of the Cable CCC Camp (47 Ba-309) and Mice (47 Ta-133) Sites*. Research Report in Archaeology No. 48.
- Faunal Analysis for the Bryan Mound Group (47 Cr-48/BCr-130) Site, Crawford County, Wisconsin. In *Phase I and Phase II Archaeological Investigations along STH 60 between the Intersections with STH 131 and USH 61, Crawford County, Wisconsin* prepared by K. Hamilton and D. Miller, pp. 379-388. Research Report in Archaeology No. 27.
- Faunal Analysis for the Unpleasant Ridge (47 Cr-500) Site. In *Phase I and Phase II Archaeological Investigations along STH 60 between the Intersections with STH 131 and USH 61, Crawford County, Wisconsin* prepared by K. Hamilton and D. Miller, pp. 340-348. Research Report in Archaeology No. 27.
- Analysis of the Faunal Remains from the Silver Lake Site (47 Ws-213), Waushara County, Wisconsin (Final Report). Completed manuscript in preparation for publication in the Archaeology Research Series.
- Faunal Analysis of the Two Faces Site (47 Ws-212), Waushara County, Wisconsin (Final Report). Completed manuscript in preparation for publication in the Archaeology Research Series.
- Faunal Analysis of the Cabbage Patch Site (47 Cr-575), Crawford County, Wisconsin. Report on file, Museum Archaeology Program.
- 1995 Faunal Analysis of the River Quarry (47 Da-768), Murphy (47 Da-736), and Ziegler IV (47 Da-967) Sites along USH 12, Dane County, Wisconsin. In *Archaeological Investigations of the Alternate Corridor Alignment for the Proposed Reconstruction of USH 12 Between Middleton and Sauk City, Dane County, Wisconsin* by K. Hamilton, D. Tennessen, S. Slessman, and M. Baumann, pp. 262-288. Research Report in Archaeology No. 46.
- Faunal Analysis of Four Historic Sites along USH 45, Shawano County, Wisconsin. In *Wittenberg, Tigerton, Split Rock, and Beyond: A report on the Phase I Archaeological Survey of the portion of USH 45 located between STH 29 and the South County Line, Shawano County, Wisconsin* by A. Mason, J. Broihahn, and P. Ladwig, pp. 128-133. Research Report in Archaeology No. 44.

- Analysis of the Faunal Remains from the Gitchee Manitou (47 Dg-93) Site. In *Living on the Edge: Archaeological Investigations at the Black River Bridge Replacement Project, STH 35, Douglas County, Wisconsin* by J. Broihahn and P. Ladwig, pp. 95-96. Research Report in Archaeology No. 41.
- Faunal Analysis of the Russell Pertzsch (47 Lc-70) and Motel Madness (47 Lc-554) Sites, La Crosse County, Wisconsin. In *Phase I and Phase II Archaeological Investigations of the Proposed STH 16/IH 90 Interchange, La Crosse County, Wisconsin* by D. Miller. Research Report in Archaeology No. 39.
- Phase I and Phase II Archaeological Investigations at the Hanson Site (47 Tr-298), Trempealeau County, Wisconsin.* Research Report in Archaeology No. 34.
- 1994 (with Kelly Hamilton) *Archaeological Investigations for the Prairie du Chien Rail Corridor on St. Feriote Island, Prairie du Chien, Crawford County.* Research Report in Archaeology No. 29.
- (with Patricia Trocki) *Phase II Evaluation of the Watson Wetland Mitigation Area, Waukesha County, Wisconsin.* Research Report in Archaeology No. 25.
- Phase I Archaeological Investigations Along a Section of STH 26, Fond du Lac County, Wisconsin.* Research Report in Archaeology No. 17.

**Contract Faunal Analysis Reports for Midwest Archaeological Research Services, Inc., Marengo, Illinois**

- 2006 Analysis of Faunal Remains from Site 11WA181, Warren County, Illinois. Report submitted to Dr. Rochelle Lurie.
- Zooarchaeological Analysis, Site 11-K-818, Kane County, Illinois. Report submitted to Sara Pfannkuche, Midwest Archaeological Research Services, Inc. MARS Project No. 1394.
- Zooarchaeological Analysis of Sites 11-K-816, 11-K-820, and 11-K-823, Kane County, Illinois. Report submitted to Sara Pfannkuche, Midwest Archaeological Research Services, Inc. MARS Project No. 1394.
- 2005 Analysis of Faunal Remains from Sites 11-K-826 and 11-K-829, Kane County, Illinois. Report submitted to Paula Porubcan, Midwest Archaeological Research Services, Inc. MARS Project No. 1364.
- Zooarchaeological Analysis of Site 11-Ke-563, Kewaunee County, Illinois. Report submitted to Clare Tolmie, Midwest Archaeological Research Services, Inc. MARS Project No. 1325.
- Analysis of Faunal Remains from Site 11-Ke-504, Kendall County, Illinois. Report submitted to Sara Pfannkuche, Midwest Archaeological Research Services, Inc. MARS Project No. 1313.
- Zooarchaeological Analysis of Sites 11-K-812 and 11-K-815. In *Phase II Archaeological Testing of Three Historic Euro-American Sites (11-K-812, 11-K-814, and 11-K-815) in the Settler's Ridge Development Area, Sugar Grove Township, Kane County, Illinois* by Paula J. Porubcan, Appendix E. Cultural Resource Management Report No. 1339.
- 2004 Zooarchaeological Analysis, Site 11-Ke-457. Letter report and inventory submitted to Clare Tolmie, Midwest Archaeological Research Services, Inc. MARS Project No. 1258.
- Phase II Zooarchaeological Analysis of the William McFarlin Farmstead (11-Wi-2801), Will County, Illinois. In *Phase II Testing of Five 19<sup>th</sup> Century Euro-American Sites (11-Wi-2801, -*

- 2802, -2803, -2806, and -2808) in Jackson Township, Will County, Illinois by Richard B. Johnson and Paula J. Porubcan, Appendix E. Cultural Resource Management Report No. 1245.
- A Preliminary Analysis of Zooarchaeological Remains from Shell Midden A, Macktown National Historic District, and the Nygren Site, Winnebago County, Illinois. Report submitted to Sara Pfannkuche, Midwest Archaeological Research Services, Inc. MARS Project No. 1212.
- Phase III Zooarchaeological Analysis of the James Walker Cabin/Edgar Doud Farmstead (11-Wi-2624), Will County, Illinois. In *Pioneers, Preachers and Potawatomi: Phase III Mitigation of 11-Wi-2624, the James and Jane Walker Farmstead, Plainfield, Will County, Illinois* by Clare Tolmie, Appendix G. Cultural Resource Management Report No. 1207.
- Phase III Zooarchaeological Analysis of the Carter (11-Wi-2640) and Burdick (11-Wi-2642) Farmstead Sites, Will County, Illinois. In *Results of Phase III Data Recovery of the Burdick Site (11-Wi-2642) and the Carter Site (11-Wi-2640) Plainfield Township, Will County, Illinois* by Carrie Koster-Horan, Chapter 4. Cultural Resource Management Report No. 1204.
- 2003 Analysis of Zooarchaeological Remains from the McMillan Farmstead Site (11-Mh-314), McHenry County, Illinois. In *Results of Phase II Archaeological Testing of the Nineteenth Century Samuel and Jane McMillan Farmstead (11-Mh-314), Nunda Township, McHenry County, Illinois* by Paula J. Porubcan. Cultural Resources Management Report No. 1184.
- 2002 Analysis of Zooarchaeological Remains from the Jacob A. Minnig Farmstead Site (11-Wi-2720), Will County, Illinois. In *Phase II Testing of Prehistoric Site 11-Wi-2718 and Historic Site 11-Wi-2720, Wheatland Township, Will County, Illinois* by Carrie Koster-Horan and Paula Porubcan. Cultural Resource Management Report No. 1141.
- Zooarchaeological Analysis of the Tamarack School Site (11-Wi-2487), Will County, Illinois. Report submitted to Carrie Koster-Horan, Midwest Archaeological Research Services, Inc. MARS Project No. 1113.
- Zooarchaeological Analysis of the Carter Farmstead (11-Wi-2640) and Burdick Farmstead (11-Wi-2642) Sites, Will County, Illinois. In *Phase II Archaeological Testing at the Burdick (11-Wi-2642) and Carter (11-Wi-2640) Sites: Two Nineteenth Century Farmsteads in Plainfield, Illinois* by A. S. Higgs, C. Tolmie, and P. J. Porubcan. Cultural Resource Management Report No. 1097.
- Zooarchaeological Analysis of Site 11-Wi-2624, The Edgar Doud Farmstead/James Walker Cabin, Will County, Illinois. Report submitted to Clare Tolmie, Midwest Archaeological Research Services, Inc. MARS Project No. 1077.
- Zooarchaeological Analysis of the Asa C. Clark/John K. White Farmstead (11-K-704), Kane County, Illinois. Report submitted to Carrie Koster-Horan, Midwest Archaeological Research Services, Inc. MARS Project No. 1052.
- Analysis of Zooarchaeological Remains Recovered during the 2001 Field School Excavations at the Macktown National Historic District, Winnebago County, Illinois. Report submitted to Sara Pfannkuche, Midwest Archaeological Research Services, Inc. MARS Project 1023.
- Analysis of Faunal Remains Recovered from the Branham's Farm Site (11-Ck-861), Cook County, Illinois. In *Results of Phase III Archaeological Data Recovery of the ca. 1835-1909 Branham's Farm (11-Ck-861) Hanover Township, Cook County, Illinois* by P. J. Porubcan. Cultural Resource Management Report No. 849.
- 2001 Faunal Analysis, The Matheny/Bird Farmstead (11-Mh-115), McHenry County, Illinois. Report submitted to C. Koster-Horan and P. Porubcan, Midwest Archaeological Research Services, Inc. MARS Project No. 1043.

- Faunal Analysis, Sheldon House Farmstead (11-Wi-2512), Will County, Illinois. Report submitted to C. Koster-Horan and P. Porubcan, Midwest Archaeological Research Services, Inc. MARS Project No. 1029.
- Faunal Analysis of Two Historic Sites in Kankakee County, Illinois: The J. Boudreau Farmstead (11-Ka-505) and Gaylord/Penot Farmstead (11-Ka-506) Sites. In *Phase II Investigations at 11-Ka-505, the J. Boudreau Farmstead, in Boubonnais Township, and 11-Ka-506, the F. Penot Farmstead, in Rockville Township, Kankakee County, Illinois* by C. Tolmie, Appendix E. Cultural Resource Management Report No. 1006.
- Faunal Analysis, A. Rankin/C. Loftus Farmstead Site (11-L-660), Lake County, Illinois. Report submitted to C. Koster-Horan, Midwest Archaeological Research Services, Inc. MARS Project No. 1004.
- Zooarchaeological Analysis, The Joel Walker Homestead Site (11-Bo-222), Boone County, Illinois. In *Results of Phase II Archaeological Testing of the William and Juliette (Walker) Gilman Farmstead (11-Bo-222) Belvidere Township, Boone County, Illinois* by P. Porubcan and C. Koster-Horan. Cultural Resource Management Report No. 990.
- Faunal Analysis. In *Phase III Data Recovery of Fort Walker (a.k.a. Beggs' Fort 11-Wi-1248) Plainfield Township, Will County, Illinois* by M. Catherine Bird and Paula J. Porubcan, pp. 91-98. Cultural Resource Management Report No. 864.
- 2000 Early Nineteenth Century Dietary Practices at Macktown: Analysis of the Faunal Remains from Hayes Tavern. Report submitted to Dr. Rochelle Lurie, Midwest Archaeological Research Services, Inc.
- Analysis of Faunal Remains from the Livingston O'Brian Farmstead Site (11-Ke-351), Illinois. In *Preliminary Report of Phase II Archaeological Testing on Two Prehistoric Sites (11-Ke-348 and 11-Ke-349) and One Historic Site (11-Ke-351) in Bristol Township, Kendall County, Illinois* by C. Tolmie and S. J. Demel. Cultural Resource Management Report No. 950.
- Analysis of Faunal Remains from Site 11-Wi-2058, Will County, Illinois. In *Results of Phase II Archaeological Testing at the circa 1871, D. Colson Farmstead (11-Wi-2058) in Plainfield Township, Will County, Illinois* prepared by P. Porubcan, S. Demel, and C. Tolmie, Appendix E. Cultural Resource Management Report No. 849.
- 1999 Analysis of Faunal Remains Recovered from Sites 11-K-485 and 11-K-488, Kane County, Illinois. In *Phase II Archaeological Testing of 11-K-482, 11-K-483 and 11-K-485 and Phase II/III Testing and Mitigation of 11-K-488, the Old Garton Homestead in the Proposed Majestic Oaks Residential Subdivision, Kane County, Illinois* prepared by C. Tolmie, M. C. Bird, P. Porubcan, and R. Lurie, Appendix G. Cultural Resource Management Report No. 839.
- Faunal Analysis, BB Larry Site (11-L-597). Letter report submitted to Dr. Rochelle Lurie, Midwest Archaeological Research Services, Inc. MARS Project No. 809.
- Analysis of the Faunal Remains from the 1998 Excavations at the Macktown National Historic District, Winnebago County, Illinois. In *Report on the 1998 Summer Field School Excavations at the Hayes Tavern, Macktown Forest Preserve, Winnebago County, Illinois* prepared by R. Lurie and P. Porubcan, Appendix A. Cultural Resource Management Report No. 742.
- Analysis of the Faunal Remains from the McGraw Farm Site (11-L-386), Lake County, Illinois. In *Results of Phase III Archaeological Mitigation of the McGraw Farm Site (11-L-386), Cuba Township, Lake County, Illinois* prepared by Paula J. Porubcan, Anne Grauer, and Rochelle Lurie. Cultural Resource Management Report No. 621.

- 1998 Analysis of Zooarchaeological Remains from the Hurd Site (11-L-71), Lake County, Illinois. In *Phase II Archaeological Testing of Three Hurd Estate Sites, 11-L-71, 11-L-72, and 11-L-498 in Cuba Township, Lake County, Illinois* prepared by M. Catherine Bird, Appendix A. Cultural Resource Management Report No. 711.
- Analysis of the Faunal Remains from Three Euro-American Sites (11-L-289, 11-L-509, and 11-L-511) in Lake County, Illinois. In *Results of Phase II Archaeological Testing at Four Nineteenth Century Euro-American Sites (11-L-289, 11-L-509, 11-L-510, and 11-L-511) in Fremont Township, Lake County, Illinois* prepared by Paula J. Porubcan, Appendix D. Cultural Resource Management Report No. 694.
- Analysis of the Vertebrate Faunal Remains from Shell Midden A, Macktown National Historic District, Winnebago County, Illinois. Report submitted to Paula Porubcan, Midwest Archaeological Research Services, Inc. MARS Project No. 669.
- 1997 Analysis of the Faunal Material from the Sumner A. Hemenway Homestead Site (11-Wi-1556), Winnebago County, Illinois. Report submitted to Midwest Archaeological Research Services, Inc. MARS Project No. 657.
- Bone Tool from Macktown. Letter report on a bone tool recovered during the 1990-91 UW-Rock County field school excavations at the Macktown Forest Preserve. Submitted to Midwest Archaeological Research Services, Inc. MARS Contract Project No. 307.
- Bone Flesher from McHenry County, Illinois. Letter report on a bone hide flesher recovered during an archaeological survey in McHenry County, Illinois. Submitted to Midwest Archaeological Research Services, Inc. MARS Contract Project No. 535.
- 1996 Analysis of the Faunal Remains from the Huntley Site (11 K-340). Letter report submitted to Midwest Archaeological Research Services, Inc. MARS Project No. 601.
- Analysis of the Faunal Remains from the Whitman Trading Post, Macktown National Historic District, Winnebago County, Illinois. In *Results of Phase II Archaeological Investigations Immediately North of the Whitman Trading Post, Macktown Forest Preserve, Winnebago County, Illinois* prepared by P. Porubcan, Appendix B. Cultural Resource Management Report No. 590.
- Analysis of the Faunal Remains from 11 Du-129 and 11 Du-212, Du Page County, Illinois. In *Report of Phase II Testing and Phase III Mitigation on the Du Page Properties Venture Property in Aurora, Du Page County, Illinois* prepared by P. J. Porubcan, S. J. Demel, R. Lurie, and M. C. Bird, Appendix D. Cultural Resource Management Report No. 536.

#### **Contract Faunal Analysis Reports, Miscellaneous Clients**

- 2013 Faunal Analysis, Site 11MO1060, Monroe County, Illinois. Report submitted to Mark Brantsner, Great Lakes Research, Inc., Champaign, Illinois.
- 2011 Carriage House (14BO302) Faunal Analysis, Fort Scott National Historic Site, Kansas. Report submitted to Dr. William J. Hunt, Midwest Archeological Center, National Park Service, Lincoln, Nebraska.
- 2010 Faunal Analysis, Fort Scott Carriage House (HS-31) Assemblage, Fort Scott National Historic Site, Kansas. Report submitted to Dr. William J. Hunt, Midwest Archeological Center, National Park Service, Lincoln, Nebraska.

- 2009 Analysis of Faunal Remains from the Raven Bluff Site (DEL402), Northwestern Alaska. Report submitted to William Hedman, Bureau of Land Management, Fairbanks, Alaska.
- Analysis of the Faunal Remains. In *New Light on Old Belmont: The Archaeology, History, Preservation, and Management of the First Capitol Historic Site, (47LT204), Lafayette County, Wisconsin*, compiled by John H. Broihahn, pp. 146-152. Technical Report No. 05-0001. State Archaeology and Maritime Preservation, Wisconsin Historical Society, Madison.
- 2007 Faunal Analysis, Domesticated Animal Remains from Site 47CR660, Crawford County, Wisconsin. Report submitted to Vicki Twinde-Javner, Mississippi Valley Archaeology Center, University of Wisconsin, La Crosse.
- 2006 Faunal Analysis. In *Minnesota Deep Test Protocol Project*, by G. W. Monaghan, K. C. Egan-Bruhy, M. J. Hambacher, D. R. Hayes, M. F. Kolb, S. R. Kuehn, S. Peterson, J. A. Robertson, and N. R. Shaffer. Reported submitted to Minnesota Department of Transportation. Commonwealth Cultural Resources Group, Inc., Jackson, Michigan.
- A Preliminary Report on the Bradford Bison Skull from Sauk County, Wisconsin*. Report prepared for the Office of the State Archaeologist, Wisconsin Historical Society, Madison.
- 2005 Faunal Analysis, Pottawatomie Light Station, Rock Island, Door County, Wisconsin. Letter report submitted to Jim Yingst, Fever River Research, Inc., Springfield, Illinois.
- Zooarchaeological Analysis, Site 15BE200, Kentucky. Report submitted to Dr. Rodney Riggs, CCRG, Inc., Minocqua, Wisconsin.
- Zooarchaeological Analysis, Isthmus Site (47FR73). Report submitted to Sean Dunham, CCRG, Inc., Minocqua, Wisconsin, and Mark Bruhy, Chequamegon-Nicolet National Forest, USDA Forest Service, Rhinelander, Wisconsin.
- 2004 Zooarchaeological Analysis of the Butternut Lake Site (47FR122), Forest County, Wisconsin. Report submitted to Dr. Kathryn Egan-Bruhy, CCRG, Inc., Minocqua, Wisconsin.
- Fort Blue Mound (47DA891) Faunal Analysis. Letter report submitted to Mr. Robert Birmingham, Office of the State Archaeologist, Wisconsin Historical Society, Madison.
- Carcajou Point (47JE2)-Yates Property Faunal Analysis. Letter report submitted to Mr. Robert Birmingham, Office of the State Archaeologist, Wisconsin Historical Society, Madison.
- 2003 Zooarchaeological Analysis, Boulder Lake Site (47OC137), Oconto County, Wisconsin. Report submitted to Dr. Kathryn Egan-Bruhy, Commonwealth Cultural Resources Group, Inc. (CCRG), Minocqua, Wisconsin.
- Zooarchaeological Analysis of the Lake Owen Site (47BA46), Bayfield County, Wisconsin. Report submitted to Mark Bruhy, Heritage Program, Chequamegon-Nicolet National Forest, USDA Forest Service, Rhinelander, Wisconsin.
- Zooarchaeological Analysis of the Walsh Farmstead Site (47SC126), St. Croix County, Wisconsin. Report submitted to Dr. Kathryn Egan-Bruhy and Michael LaRonge, Commonwealth Cultural Resources Group, Inc., Minocqua, Wisconsin.
- Zooarchaeological Analysis of the Adams Site (47PI12), Pierce County, Wisconsin. In *Archaeological Investigations of US 63 (Minnesota Border to Wis 35), Pierce County, Wisconsin* by K. Egan-Bruhy, J. A. Robertson, M. LaRonge, M. J. Hambacher, S. R. Kuehn, and M. F. Kolb, pp. 7-1 to 7-5. Project WR-0115. Commonwealth Cultural Resources Group, Inc., Minocqua, Wisconsin.

- 2002 Faunal Analysis, 47 Ia-413. In *Recent Archaeological Investigations at the Mineral Point Hill Site (Ia-413), Pendarvis Historic Site Complex, Iowa County, Wisconsin 1998-2001* by John H. Broihahn, pp. 55-59. Technical Report Series No. 02-0002. Office of the State Archaeologist, Historic Preservation Division, Wisconsin Historical Society, Madison.
- Faunal Analysis, Buried Gas Pipeline Project, Pendarvis Historic Site (47 Ia-399). In *Recent Archaeological Investigations at the Pendarvis Historic Site (Ia-399), Iowa County, Wisconsin 1996-2001* by John H. Broihahn, p. 40. Technical Report Series No. 02-0001. Office of the State Archaeologist, Historic Preservation Division, Wisconsin Historical Society, Madison.
- 2001 Early Nineteenth Century Dietary Behavior in Northern Michigan: An Examination of Zooarchaeological Remains from the American Millwright's House, Mill Creek Site (20CN8). Report submitted to Dr. Lynn Evans, Mackinac State Historic Parks, Mackinaw City, Michigan.
- Analysis of Vertebrate Faunal Remains Recovered during the 1999 Loyola University Field School Excavations at Macktown (11-Wo-256), Winnebago County, Illinois. Report submitted to Dr. Daniel Amick, Loyola University, Chicago.
- Faunal Analysis of Sites 47 GT-510, 47 IA-412, and 47 LT-204. Letter reports submitted to John Broihahn, Office of the State Archaeologist, Wisconsin Historical Society, Madison.
- 2000 Analysis of Faunal Material from the Zarling Lake Site (47 Fr-186). Letter report submitted to Mark Bruhy, USDA Forest Service, Chequamegon-Nicolet National Forest, Rhinelander, Wisconsin.
- Analysis of Faunal Remains from the Hinman Site (44RN311). In *Ceramic Technology and Community Organization: Archaeological Data Recovery at the Hinman Site (44RN311)*, prepared by Charles J. Rinehart, Appendix I. Final Report, The Cultural Resource Group, Louis Berger and Associates, Inc., Richmond, Virginia.
- 1999 Analysis of Faunal Remains from the Camp Shaginappi Site (47-Fd-13), Fond du Lac County, Wisconsin. Report submitted to Allen Van Dyke, Archaeological Services, Inc., Union Grove, Wisconsin.
- Analysis of Faunal Remains Recovered at the Muskie Ridge Site (20 Io-220), Iron County, Michigan. In *NRHP Evaluation of Archaeological Site 20IO220 Lower Paint Hydroelectric Project, Iron County, Michigan (FERC Project No. 2072)* by Allen Van Dyke, Section 6.3. Report of Investigations No. 199064, Archaeological Services, Inc., Union Grove, Wisconsin.
- Faunal Remains from Five Sites along the Menominee River, Menominee County, Michigan, and Marinette County, Wisconsin. Letter report submitted to Allen Van Dyke, Archaeological Services, Inc., Union Grove, Wisconsin. Project WE/PM-99.
- Analysis of the Faunal Remains Recovered at the Augustin Grignon House (47 Ou-72) and Grignon Mansion (47 Ou-115) Sites, Outagamie County, Wisconsin. Report submitted to Allen Van Dyke, Archaeological Services, Inc., Union Grove, Wisconsin.
- Analysis of Faunal Remains from the Butternut Lake Inlet Site (47 Fr-137), Forest County, Wisconsin: The 1997 and 1998 Excavations. In *Summary Report of Excavations at the Butternut Lake Inlet Site (47 Fr-137): Exploring Seasonality and Diet at a Multi-Component Site in Forest County, Wisconsin*, by Mark E. Bruhy, K. C. Egan-Bruhy, and K. L. Potaracke, Appendix 7. Report of Investigations No. 19, Northern State Regional Archaeology Center, USDA Forest Service, Chequamegon-Nicolet National Forest, Rhinelander, Wisconsin.

- 1998 Analysis of Faunal Material from the Boom Bay Shore Site (47 Wn-760). Letter report submitted to Allen Van Dyke, Archaeological Services, Inc., Union Grove, Wisconsin.
- Analysis of Faunal Remains Recovered at the First Capitol Site (47 Lt-204), Lafayette County, Wisconsin. Report submitted to John Broihahn, Office of the State Archaeologist, Wisconsin Historical Society, Madison.
- Analysis of the Faunal Remains from the Butternut Lake Inlet Site (47 Fr-137; Site 09-06-02-102), Forest County, Wisconsin. In *The Butternut Lake Inlet Site (47 Fr-137): Exploring Seasonality and Diet at a Woodland Tradition Settlement; The 1997 Field Season* by Mark E. Bruhy, Kathryn C. Egan-Bruhy, and Kim L. Potaracke, pp. 38-44. Chequamegon-Nicolet National Forest, Northern State Regional Archaeology Center, Report of Investigation No. 15, USDA Forest Service, Rhinelander, Wisconsin.
- 1995 Faunal Analysis of the Warren House Site. In *The Warren House Site (47 Da-910): Final Report of the Phase III Archaeological Data Recovery at a Mid-19<sup>th</sup> Century Homestead in Verona Township, Dane County, Wisconsin* by P. J. Porubcan and E. D. Benchley, pp. 219-241. Report of Investigations No. 124, University of Wisconsin-Milwaukee Archaeological Research Laboratory.
- 1993 (with M. Murray, C. Dobbs, C. Johnson, H. Mooers, and K. Parker) *Great Lakes Gas Transmission Limited Partnership 1991 Pipeline Expansion Project: Data Recovery at 21 Ca-169, the Nushka Lake Site, Cass County, Minnesota*. Report of Investigations No. 180. Institute for Minnesota Archaeology, Minneapolis.
- Faunal Analysis of the Middle River Site, Thief River Falls County, Minnesota. Report on file, Institute for Minnesota Archaeology, Minneapolis.
- Faunal Analysis of 20 Sa-596, Saginaw County, Michigan. Report on file, Institute for Minnesota Archaeology, Minneapolis.

## PROFESSIONAL PAPERS, ARTICLES, AND PUBLICATIONS

- 2014 Prehistoric Dog Pathology in the American Bottom: Evidence from the Janey B. Goode Site (11S1232), St. Clair County, Illinois. *Illinois Archaeology* 26:97-129.
- Looking Beyond Diet: Faunal Remains and Ritual Behavior in the American Bottom. Paper presented in the "Science and Religion in Archaeology: The Legacy of Thomas E. Emerson" Symposium at the Midwest Archaeological Conference, University of Illinois at Urbana-Champaign.
- The Prehistory of "The Feathered Tempest": Passenger Pigeon Zooarchaeology in the Upper Midwest. Joint presentation for the Three Rivers Archaeological Society, Logan Museum of Anthropology, and Beloit College Passenger Pigeon Project. Center for the Sciences, Beloit College, Beloit, Wisconsin.
- Zooarchaeology of the Olin Site: Examining Moorehead Phase Faunal Exploitation in the American Bottom. Paper presented at the 2014 Mississippian Conference, Cahokia Mounds State Historic Site, Illinois.
- 2013 (with Rosemarie Blewitt) Mississippian Faunal and Botanical Remains from the Tree Row (11F53) and Baker-Preston (11F20) Sites, Fulton County, Illinois. *Illinois Archaeology* 25:27-62.

- 2001 Organized and chaired symposium entitled "Archaic Research in the Upper Midwest" at the Midwest Archaeological Conference, La Crosse, Wisconsin. October. Session consisted of 13 papers discussing recent Archaic Period research projects conducted in the Midwest.
- 8,000 Years of Forgotten Prehistory: The Overlooked Archaic in the Upper Midwest. Paper presented in the Archaic Research in the Upper Midwest symposium, Midwest Archaeological Conference, La Crosse, Wisconsin.
- Defining the Temporal Boundaries of the Middle Archaic: Old and New Evidence from Southern Wisconsin. Paper presented in the Archaic Research in the Upper Midwest symposium, Midwest Archaeological Conference, La Crosse, Wisconsin.
- Book review, *Iowa's Archaeological Past*, by L. M. Alex, University of Iowa Press, 2000. *IMA Quarterly Newsletter* 16(2):5. Institute for Minnesota Archaeology, St. Paul.
- 2000 The Granite Falls Site (21YM47), A Prairie Archaic Bison Kill in Southwestern Minnesota. Paper presented at the Joint Midwest Archaeological and Plains Anthropological Conference, St. Paul, Minnesota. November.
- Archaeology for Kids: Lessons Learned at the Aldo Leopold Nature Center Archaeology Camp. Paper presented at the Joint Midwest Archaeological and Plains Anthropological Conference, St. Paul, Minnesota (with Jolene Kuehn).
- Late Paleoindian Subsistence Strategies in the Western Great Lakes: Evidence for Generalized Foraging from Northern Wisconsin. Paper presented as part of a symposium entitled "From Mice to Mammoths: Studies in Paleoindian Subsistence Strategies" chaired by Renee Walker, at the 2000 Annual Meeting of the Society for American Archaeology, Philadelphia, Pennsylvania.
- 1999 The Edgewater Beach Site: A Late Prehistoric Site on Lac Vieux Desert, Vilas County, Wisconsin. *The Michigan Archeologist* 45(4):130-141.
- Life on the Wisconsin Frontier: A Yankee Family Goes West. Paper presented at the 45<sup>th</sup> Annual Midwest Archaeological Conference, East Lansing, Michigan.
- Middle Archaic Occupation of the Kickapoo River Valley: Implications for Southwestern Wisconsin and Beyond. Paper presented at the 1999 Annual Meeting of the Society for American Archaeology, Chicago, Illinois.
- 1998 New Evidence for Late Paleoindian-Early Archaic Subsistence Behavior in the Western Great Lakes. *American Antiquity* 63(3):457-476.
- High and Dry: Crow Hollow, A Middle Archaic Base Camp on the Kickapoo River Floodplain. Paper presented at the 44<sup>th</sup> Midwest Archaeological Conference, Muncie, Indiana.

- 1997 New Evidence for Late Paleoindian Foraging Behavior from the Western Great Lakes. Paper presented at the 1997 Joint Symposium of the Ontario Archaeology Society and the Midwest Archaeological Conference, Toronto, Ontario, Canada.
- 1995 (with N. Meinholz) Late Paleoindian Ceremonialism in the Western Great Lakes: New Information From the Deadman Slough Site. Paper presented at the 1995 Midwest Archaeological Conference, South Beloit, Illinois.
- Faunal Analysis of the Alden's Corners Post Office Site. Paper presented at the first Historical Archaeology Conference of the Upper Midwest (HACUM), Red Wing, Minnesota.
- (with N. Meinholz) The Deadman Slough Site, a Multicomponent Late Paleoindian/Early Archaic and Woodland Habitation Site in Northern Wisconsin. Presentation display at the 9<sup>th</sup> Annual Workshop of the Lake Superior Basin and its Connections, University of Minnesota-Duluth.

### **PUBLIC PRESENTATIONS, TRAINING, and OUTREACH ACTIVITIES**

- 2015 The Archaeology of Man's Best Friend: Recent Studies of Prehistoric Dogs in Illinois. Presentation at the South Suburban Archaeological Society, Homewood, Illinois.
- 2013 Native Americans & Europeans in Illinois: 12,000 Years of Living off the Land. Presentation at the Museum of the Grand Prairie, Lake of the Woods Forest Preserve, Mahomet, Illinois.
- Organizer and participant, ISAS Archaeology Exhibit at the 2013 Naturally Illinois Expo, Prairie Research Institute, University of Illinois at Urbana-Champaign.
- Rock Art presentation at Next Generation Elementary, Champaign, Illinois.
- 2012 Zooarchaeology exhibit, 2012 Naturally Illinois Expo, Prairie Research Institute, University of Illinois at Urbana-Champaign.
- Zooarchaeology and Atlatl exhibits, Prairie Stories event at the Museum of the Grand Prairie, Lake of the Woods Forest Preserve, Mahomet, Illinois.
- Presentations on archaeology, zooarchaeology, and rock art at Sangamon Elementary in Mahomet and Robeson Elementary in Champaign.
- 2011 Zooarchaeology exhibit, 2011 Naturally Illinois Expo, Prairie Research Institute, University of Illinois at Urbana-Champaign.
- Faunal display at IAAA Archaeology Days at Collins Site, Danville.
- Archaeology talks at Lincoln Trail Elementary in Mahomet and Next Generation Elementary in Champaign
- An Illinois Archaeologist in King Yukon's Court: Recent Work at a Paleoindian Camp in Northwestern Alaska. Presentation for the East-Central Illinois Archaeological Society, Urbana.
- 2010 Presentations at Science Day at Lincoln Trail Elementary in Mahomet and at Yankee Ridge Elementary in Urbana.
- Zooarchaeology exhibit, 2010 Naturally Illinois Expo, Prairie Research Institute, University of Illinois at Urbana-Champaign.

- 2009 Bureau of Land Management-Fairbanks, Alaska. Aviation Safety Training; Bear Safety Training; Firearm Training and Qualification.
- Presentations at Yankee Ridge Elementary in Urbana and Science Day at Sangamon Elementary in Mahomet.
- Participated in the Naturally Illinois Expo, Prairie Research Institute, University of Illinois at Urbana-Champaign.
- 2006 Presentation on the Bradford Bison skull and other *Bison occidentalis* finds in Wisconsin. Sauk Prairie Conservation Alliance, Prairie du Sac, Wisconsin.
- Slide presentation and lecture, Oneota Archaeology in East-Central Wisconsin. University League Antiques Group, Middleton, Wisconsin.
- Archaeological Excavations at Three Oneota Villages. Presentation for the Rock River Archaeological Society, Horicon, Wisconsin.
- 2005 Panelist for the Sociology, Anthropology, and Criminal Justice Career Night, University of Wisconsin, Whitewater.
- 2004 Oneota Archaeology in East-Central Wisconsin: Recent Excavation of Three Grand River Phase Villages in Portage County. Presentation for the Wisconsin Archeological Society, University of Wisconsin, Milwaukee.
- Frontier Feasting: Archaeology and Pioneer Dining in the Midwest. Slide-illustrated lecture for the Charles E. Brown Archaeological Society, Madison, Wisconsin. December. Presented in conjunction with Jolene Kuehn, costumed interpreter, as "Sarah Dark, 19<sup>th</sup> Century Frontier Housewife."
- Back to Captain Trowbridge's Place: Results of Recent Excavations at the Sheard Road Site. Presentation given for the Kenosha Archaeological Society, Kenosha Public Museum, Kenosha, Wisconsin.
- Oneota in Central Wisconsin: Recent Excavation of Three Oneota Village Sites along U.S.H. 10. Slide-illustrated lecture at the Robert Ritzenthaler Chapter, Wisconsin Archaeological Society, University of Wisconsin, Oshkosh.
- Pottery, Pits and Prehistory: Piecing Together Oneota Archaeology in Central Wisconsin. Slide-illustrated lecture at the Charles E. Brown Archaeological Society, Madison, Wisconsin.
- The Archaeology of Captain Trowbridge's Place: A Mid-Nineteenth Century Homestead/Tavern. Slide-illustrated lecture for the University Antiquities Group, Madison.
- 2003 Historical Archaeology in the Upper Midwest: Recent Investigations at the Sheard Road Site. Presentation given for the Three Rivers Archaeological Society, Logan Museum, Beloit, Wisconsin.
- Designed and illustrated the cover for the "Archaeology Interest Patch Information Booklet for Cadette and Senior Girl Scouts" prepared by Jolene Kuehn, for the Girl Scouts of Black Hawk Council, Madison.
- 2002 A Yankee Family on the Wisconsin Frontier: Historical Archaeology of the Sheard Road Site. Slide-illustrated lecture at the Charles E. Brown Archaeological Society, Madison, Wisconsin.

- Designed Archaeology Merit Badge, for the Black Hawk Council of Girl Scouts, Inc., Madison, Wisconsin.
- 2001 The Crow Hollow Site in Southwestern Wisconsin. Lecture and slide presentation at the Kenosha County Archaeological Society, Kenosha, Wisconsin.
- 2000 Lecture on Zooarchaeology as part of the “Digging Through the Past” Interest Patch Workshop, for the Black Hawk Council of Girl Scouts, Inc. Aldo Leopold Nature Center, Monona, Wisconsin.
- Dining With the Martin Family: Analysis of the Hazelwood House Faunal Remains. Slide presentation and lecture on 19<sup>th</sup> century dietary patterns, at the Brown County Historical Society, Green Bay.
- Archaeology Day Camp for Kids. Aldo Leopold Nature Center, Monona, Wisconsin.
- More Than Just Homes: Historical Archaeology in Wisconsin. Slide show and lecture on recent archaeological investigations at the Sheard Road site, presented as part of Wisconsin Archaeology Week. State Historical Society Museum, Madison.
- Zooarchaeology. Presented brief lecture on faunal analysis for visiting students from Department of Anthropology, Ripon College. Museum Archaeology Program Lab, Madison.
- Faunal Analysis in Archaeology. Presented brief lecture on zooarchaeology for visiting docents from the State Historical Society Museum. Museum Archaeology Program Lab, Madison.
- Historic Archaeology in Wisconsin: Recent Work at the Sheard Road Site. Lecture and slide presentation for volunteers of the State Historical Society Museum, Madison.
- Historical Archaeology in Southeast Wisconsin: Investigations at the Sheard Road Site, A Frontier Homestead in Racine County. Lecture and slide presentation at the Kenosha County Archaeological Society, Kenosha, Wisconsin.
- 1999 The Crow Hollow Site: New Information on the Middle Archaic in Southern Wisconsin. Lecture and slide presentation at the Wisconsin Archeological Society, University of Wisconsin, Milwaukee.
- Section 106: An Introduction.* Attended seminar directed by Dr. Thomas King, National Preservation Institute, Alexandria, Virginia, in Madison.
- Archaeology Day Camp for Kids. Aldo Leopold Nature Center, Monona, Wisconsin.
- An Introduction to Zooarchaeology. Presentation on faunal analysis in archaeological research for the Loyola University Archaeological Field School at the Macktown National Historic District, Illinois.
- Historical Archaeology in Wisconsin: An Example from the Sheard Road Site (47 Ra-262), Racine County. Public lecture and slide presentation at the State Historical Society Museum, Madison, as part of Wisconsin Archaeology Week.
- 1998 Archaeology Day Camp for Kids. Aldo Leopold Nature Center, Monona, Wisconsin.
- 1997 The Deadman Slough Site: A New Look at Paleoindian Life in Northern Wisconsin. Slide presentation and lecture at the Kenosha County Archaeological Society, Kenosha, Wisconsin.

- Supervised planning and organization of the 1997 Museum Archaeology Program Open House, Coyier Lab Facility, Madison.
- 1996 Presented lecture on zooarchaeology for the Midwest Archaeological Research Services, Inc., field school class, at the Museum Archaeology Program Lab, Madison.
- 1995 Presented brief lecture on faunal analysis in archaeology for visiting docents from the Wisconsin Historical Society Museum, as part of a Museum Archaeology Program Laboratory Open House.
- 1994 Participated in an Archaeology Presentation at Springfield Elementary School, Dane County, Wisconsin, as part of a community outreach program of the Museum Archaeology Program, State Historical Society of Wisconsin.
- 1992 Taught session on Faunal Analysis in Archaeology, at the Institute for Minnesota Archaeology, as part of the University of Minnesota's "Compleat" Scholar Program.
- 1991-92 Supervised the Institute for Minnesota Archaeology Volunteer Night, where interested avocational archaeologists of all ages assisted with lab work. Volunteer duties included washing artifacts, floating soil samples, and cataloging and identifying artifacts from a variety of historic and prehistoric sites, under the close supervision of and interaction with experienced professionals.

#### **FIELD SCHOOL AND SELECT ACADEMIC EXPERIENCE**

- 1997 "A Model of Late Paleoindian Subsistence Behavior for the Western Great Lakes." Master's paper submitted to the Department of Anthropology, University of Wisconsin-Milwaukee, in partial fulfillment of the requirements for a Master of Science degree. Committee members: Dr. Elizabeth Benchley (advisor), Dr. Lynne Goldstein, and Dr. Melvin Fowler. Presented and accepted on February 6<sup>th</sup>, 1997.
- 1996 "Recent Developments in the Interpretation of Rock Art: A Discussion of the Significance of the Gottschall Site." Graduate paper required for Introduction to Linguistic Anthropology, University of Wisconsin-Milwaukee, taught by Dr. Kilroe.
- 1995 "A Preliminary Statistical Analysis of the Paleoindian Lithic Debitage Assemblage from the Deadman Slough Site (47 Pr-46)." Graduate project comparing the lithic debitage assemblages from various components at the Deadman Slough site, with regards for raw material and artifact type, for Introduction to Anthropological Statistics, University of Wisconsin-Milwaukee, taught by Dr. Lynne Goldstein.
- 1993 "Evidence of Population Pressure: Interpreting Changes in Faunal Assemblages." Graduate Seminar paper written as part of the requirements for a Master's degree, University of Wisconsin-Madison.
- "Prehistoric Subsistence in Wisconsin: A Review of the Faunal Assemblage Data." Term paper for Anthropology 310: The Archaeology of Wisconsin, University of Wisconsin-Madison, taught by Dr. James Stoltman.
- 1992 "The Ceramic Assemblage of the Outlet Site (47 Da-03)." Term paper for Anthropology 392: Ceramics for the Archaeologist, University of Wisconsin-Madison, taught by Dr. James Stoltman.
- 1990 Field Methods in Archaeology. Summer Field School, 8 week session, Mississippi Valley Archaeology Center, University of Wisconsin-La Crosse.
- Sorted and cataloged various artifacts from the Jules DeMuns site, a fur trade era cabin in southern Wisconsin, under the direction of Dr. Donald Thompson. University of Wisconsin-Madison.

1989 Assisted Dr. Henry Bunn in sorting and labeling faunal material from various sites.  
Zooarchaeology Lab, University of Wisconsin-Madison.
