Western Illinois Field Station

Crew Chief

1206 West Jackson

Macomb, IL. 61455-1928

Dates Employed: June 2008- Present

Crew Chief: (2011- Present) duties include, but are not limited to, conducting field projects (i.e. survey, machine scraping, excavation etc.) and the supervision of crews in aspects of field methodology and field data recording including the use of GPS receivers. As crew chief, I also assist in the preparation of compliance reports by filing State (IAS) site forms, writing text, and generating data tables for Archaeological Survey Short Reports (ASSRs) and Archaeology Testing Short Reports (ATSRs) or for Phase I and II projects. My non-supervisory roles include survey and excavation as a skilled crewmember.

Some of the larger or more significant sites I have worked on include: East St Louis Mound Center (11S706), Fort Johnson and Cantonment Davis (11HA 957), Trinity Hill (11JY582), Bethel Town site projects, Morgan County (5 Historic Sites), Bell's Terrace (11MD1286), Clinton Silt (11JY398), Eileen Cunningham (11GE630), Buckman Flats (11KX271) and Mary Hipple (11HE506). Other duties include the washing, labeling, identification, and inventory of prehistoric and historic artifacts within a lab setting.

Flotation Lab Supervisor: (2010-Present) duties include managing a crew of 2-3 fellow employees and overseeing, as well as participating in the flotation and flint picking process at the ISAS West Jackson St. Flot Lab.

Projects Supervised for ISAS

Field supervised a number of Phase I and II, and III projects from 2011 – 2015 under the overall direction of several Project Archaeologists (R. Fishel, R. Hickson, & D. Nolan). Listed below are some of the larger or more notable projects:

Shybull Terrace site (11MD1231), McDonough County, Phase II and III excavations
Illinois Route 116 Roseville to Media, Henderson and Warren counties, Phase I
Macomb Bypass Supplemental Survey, McDonough County, Phase I and II
